**Small Business Outreach Program:
Instructions and Compliance Document**

This form must be completed in ink and changes must be initialed.

PART I: GENERAL

- A. The Santa Clara Valley Water District (District) has a Small Business Outreach Program, which establishes a 30 percent minimum participation goal. To be eligible for award of a Contract, each Bidder must comply with the District's Small Business Outreach Program requirements, be a responsible Bidder, and submit a responsive bid.

To be counted towards meeting the District's Small Business Outreach participation goal, Small/Micro Business must be certified by California Department of General Services. <http://www.pd.dgs.ca.gov> Bidders are encouraged to use the services and assistance of the California Department of General Services.

- B. The District's program applies the following definitions:
1. **Small/Micro Business**—defined by California Code of Regulations Section 1896.12. Eligibility for Certification as a Small Business.
 - "a. To be eligible for certification as a small business, a business must meet all of the following qualifying criteria:
 1. It is independently owned and operated; and
 2. The principal office is located in California; and
 3. The officers of the business in the case of a corporation; officers and/or managers, or in the absence of officers and/or managers, all members in the case of a limited liability company; or the owner(s) in all other cases are domiciled in California; and
 4. It is not dominant in its field of operation(s), and
 5. It is either:
 - A. A business that, together with affiliates, has 100 or fewer employees, and average annual gross of fourteen million dollars (\$14,000,000) or less as averaged for the previous three tax years, as adjusted by the department pursuant to Government Code Section 14837 (d) (3); or
 - B. A manufacturer as defined herein that, together with affiliates, has 100 or fewer employees.
 - b. To be eligible for designation as a microbusiness, a business must meet all the qualifying criteria in sub paragraph (a), and in addition, must be either:

This form must be completed in ink and changes must be initialed.

1. A business that, together with all affiliates, has annual gross of three million five hundred thousand dollars (\$3,500,000) or less receipts as averaged for the previous three tax years, as adjusted by the department pursuant to Government Code Section 14837 (d) (3); or
 2. A manufacturer as defined herein that, together with all affiliates, has 25 or fewer employees.”
2. A Small Business **Joint Venture**—is defined in the California Code of Regulations Section 1896.4. Definitions.

“n. means an association of businesses established by written agreement to engage in and carry out a single business venture for joint profit, for which purpose they combine their efforts, property, money, skills and/or knowledge.”

1896.12.c. “Joint ventures must be certified on a bid-by-bid basis. The joint venture shall not be subject to the average annual gross receipts and employee limits imposed by this subchapter. However, each individual business participating in the joint venture must be certified as a small business.”

Note: Joint Ventures formed at the prime contractor level are subject to the requirements of Article 3.08 of the Standard Specifications.

PART II: COMPLIANCE WITH SMALL BUSINESS OUTREACH PROGRAM REQUIREMENTS

Each Bidder must complete this Bid Form and return it with the Bid documents.

The undersigned Bidder complies with the District’s Small Business Outreach Program as indicated below. At least one box must be checked for the Bid to be considered responsive.

1. Bidder is qualified for a Small Business preference because it is a Certified Small Business.
2. Bidder is qualified for a Small Business preference because it has subcontracted:
- 30% 40% 50% of this job to Certified Small Businesses.
3. Bidder has made a Good Faith Effort to solicit Small/Micro Business participation as demonstrated by documentation to be submitted by 5 p.m. on the 2nd day after Bid opening. Timely submission of these Forms is considered **material** by the District. Submission of documentation is only required from the firms submitting the three apparent low bids (see Part IV for documentation requirements).
4. Bidder will perform all the work without using subcontractors and is, therefore, exempt from demonstrating Good Faith Effort.

**Small Business Outreach Program:
Instructions and Compliance Document**

This form must be completed in ink and changes must be initialed.

PART III: CALCULATING THE SMALL BUSINESS PREFERENCE

- A. Bidders receive a preference based on the following criteria:
1. Certified Small/Micro Business Bidders receive a 5 percent preference.
 2. Non-Small/Micro Business Bidders with Small/Micro Business participation of:
 - 30% to 39% receive a 3% preference.
 - 40% to 49% receive a 4% preference.
 - 50% to 100% receive a 5% preference.

B. For purposes of calculating the Small Business preference, only the base Bid amount (which excludes Supplemental and Additive/Deductive Bid Items) will be used.

The preference is calculated by subtracting the appropriate percent (3%, 4%, or 5%) of the low Base Bid from the qualifying firm's Total Bid.

Example 1:

Apparent low Bid (not a Small Business)	\$600,000	Small/Micro Business Bid	\$615,000
Total of Supplemental Bid Items		5% Small Business Preference*	<u>-\$30,000</u>
Base Bid	<u>\$600,000</u>	New apparent low bid	<u>\$585,000</u>

*Small Business preference amount: \$600,000 x .05 = \$30,000

Example 2:

Apparent low Bid (not a Small Business)	\$600,000	Small/Micro Business Bid	\$615,000
Total of Supplemental Bid Items	<u>-\$40,000</u>	5% Small Business Preference*	<u>-\$28,000</u>
Base Bid	<u>\$560,000</u>	New apparent low bid	<u>\$587,000</u>

*Small Business preference amount: \$560,000 x .05 = \$28,000

- C. The preference is only applied to determine the low bid. The priority for applying the preference will be in the following order:
1. Micro Business submitting the lowest bid.
 2. Small Business submitting the lowest bid.
 3. Non-Small Business, subcontracting with the highest percent of Micro Business submitting the lowest bid.
 4. Non-Small Business subcontracting with the highest percent of Small Business submitting the lowest bid.

**Small Business Outreach Program:
Instructions and Compliance Document**

This form must be completed in ink and changes must be initialed.

PART IV: REQUIREMENTS FOR DEMONSTRATING GOOD FAITH EFFORT

Bidders not meeting the minimum participation goal of 30 percent must submit documentation demonstrating that a Good Faith Effort was made. For further information and/or assistance, contact the Capital Program Planning and Analysis Unit Manager at (408) 630-2682.

No substitution of a Small/Micro Business listed on the Affidavit will be made at any time without the written consent of the District. Substitution requests will only be considered for the reasons stated in Public Contract Code §4107. If a Small/Micro Business subcontractor/supplier substitution is requested, the Contractor must make a Good Faith Effort to replace the original firm with another Small Business subcontractor/supplier. Written documentation of such efforts must accompany each substitution request.

- A. The Bidder(s) submitting the three apparent low bids must provide documentation of Good Faith Effort by 5 p.m. on the 2nd day after the Bid opening. Timely submission of these Forms is considered **material** by the District.
- B. The District strongly recommends compliance with all 8 items listed below.
- C. All documentation must be specific with verifiable names, addresses, phone numbers, dates, etc., to demonstrate that the Bidder made a Good Faith Effort to obtain Small Business participation in accordance with the criteria listed below and prior to the time bids are opened.
 - 1. Attend any pre-bid meeting conducted by the District, for any project, where Bidders are informed of Small Business program requirements held within the previous 6 months prior to the Bid opening.
 - 2. Efforts made to select portions of the work proposed to be performed by small businesses in order to increase the likelihood of achieving the participation goal (including, where appropriate, breaking down contracts into economically feasible units to facilitate Small Business participation).
 - 3. Advertise, not less than 10 calendar days before the date bids are due, in one or more daily or weekly general circulation media, trade association publications, minority or trade oriented publications, trade journals, or minority/women focused media, soliciting bids from subcontractors/suppliers/vendors for participation in the project.
 - 4. Written documentation that the Bidder contacted a reasonable number of DGS-certified Small Businesses to solicit interest for a specific portion(s) of the project in sufficient time to allow the Small Businesses to obtain information on the project and consider bidding on work, which is to be performed by other than the prime contractor.

Verbal solicitations will be accepted, provided they are followed by written communication confirming the offer to Bid and are specific as to names, scope of work, etc.

**Small Business Outreach Program:
Instructions and Compliance Document**

*This form must be completed in **ink** and changes must be **initialed**.*

5. Follow up initial solicitations of interest by contacting the Small Business to determine with certainty if they are interested in performing specific items of the project.
6. Efforts made to provide interested small businesses with adequate information about the plans, specifications, and requirements of the project.
7. Efforts made to negotiate in good faith with interested Small Businesses and not rejecting Small Businesses as unqualified without sound reasons. Provide a list of all Small Businesses submitting a Bid that was not used stating the reason for rejection.
8. Efforts made to assist interested Small Businesses in securing bonding, lines of credit, or insurance. This may include referral to local agencies specifically set up for this purpose.

**PART V: SMALL/MICRO BUSINESS ENTERPRISE UTILIZATION REPORTING

Must be Completed for any Proposal of \$1,000,000 or more**

Public Contract Code (PCC) Sections 2200-2208 are known as the Iran Contracting Act of 2010 and prohibit public entities from contracting with companies that have specified business activities in Iran's petroleum sector. Companies seeking to bid on state or local government contracts are required to certify that they are not engaged in developing Iran's petroleum resources.

Prior to bidding on, submitting a proposal or executing a contract or renewal for a Santa Clara Valley Water District contract for goods or services of one million dollars (\$1,000,000 or more), a person (vendor, firm, corporation, etc.) must either: a) certify it is **not** on the current list of persons engaged in investment activities in Iran created by the California Department of General Services ("DGS") pursuant to Public Contract Code Section 2203(b) and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code Section 2203(c) or (d). The DGS list is posted online at: (www.dgs.ca.gov, search "Iran Contracting Act List").

To comply with this requirement, please complete **one** of the options below. Please note: California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts. (Public Contract Code Section 2205.)
