

MEMORANDUM

FC 14 (01-02-07)

TO: Board of Directors
FROM: Norma J. Camacho
SUBJECT: FY 2015-2016 Q4 Quarterly Ends Policy Outcome Measure Status Report
DATE: August 19, 2016

Enclosed is the report of FY 2015-2016 Quarter 4 performance, which, per Board policy, is monitored by reporting on the Board Appointed Officer's (BAO) Ends Policy Outcome Measures.

This report summarizes the status of 108 Outcome Measures, grouped by each Board Ends Policy Objective. Overall, seventy-nine percent of the Ends Outcome Measures (85 of 108) are on target or were met at the end of Quarter 4.

As part to the Board's desire to govern transparently and effectively, the Board's role is to serve as the initiator of policy and delegator of authority to its BAO's.

The organization's performance toward accomplishing the Board's Ends policy goals and objectives is the responsibility of the Board Appointed Officers. Through the BAOs' interpretation of these policies, Outcome Measures are derived and implemented through the budget process and guide development of project and individual staff work plans. These plans specify operational activities to be implemented to achieve the Board's direction for the organization.

The BAOs analyze and monitor organizational performance through operational Quarterly Management Reviews and report results to the Board through Quarterly Performance Reports, as required by Board-BAO Linkage Policy 5.4:

All policies which instruct the BAOs will be monitored at a frequency and by a method chosen by the Board. The Board can monitor any policy at any time by any method, but will ordinarily depend on a routine schedule. Frequency = Quarterly.

The performance of the Outcome Measures are regularly monitored to ensure that they are achieved and meet customer expectations and are used to monitor the CEO's performance.

The alignment of the Board policies, BAO Interpretations, and the Budget Process supports a cycle of continual improvement. The outcomes from monitoring either reinforce existing Board policy or facilitate recommended policy changes for Board consideration.
