Hi Lin,

Please forward this email to the committee and redistricting staff.

San jose City Councilmember Sam Liccardo's office has come back with information as to the area of the Japantown Neighborhood Association.

Our recommendation should include this area as part of District 3 in addition to the block that has the Northside Community Center.

Thanks,

Dean Chu

In relation to the neighborhood association, the boundaries are E. Mission Street to the North, E. Empire Street to the South, N. First Street to the West, and N. Sixth Street to the East.

Hi Fred,

This is Anh from District 4. Dean Chu sits on the Redistricting Advisory Committee for the Santa Clara Valley Water District (<http://www.valleywater.org/About/RedistrictingAdvisoryCommittee.aspx>). Dean would like to know the exact boundary lines for Japantown, especially near the community center. His email is attached to this email.

Thank you in advance for your help.

Have a great day,
Anh
