Hi Lou,

I unfortunately will not be able to attend the August 2 meeting.

After reviewing the agenda and materials sent for the meetings I have comments about combining the Almaden Valley. Please pass this memo to the other members of the committee.

It appears that the Almaden Valley is split approximately 2/3rds and 1/3rd between Districts 4 and 7 respectively. Moving the 1/3rd that is in District 7 into District 4 would cause an excessive deviation.

I would not support this shift unless there is a way to shift an near equal portion of District 4 into District 7, without affecting the other neighborhood groups, to reduce the deviation.

Thank you,

Dean Chu
