Do you know how to be safe in a flood?

Put a check by the things you know you should do to be safe.

- 1. Make a plan with my family so I will know what to do to be safe.
- 2. Plan and practice our escape; post the plan.
- 3. Pick two places we can meet, one outside on the street; and one not far on higher ground.
- 4. Put together some supplies; go on line and find a list. band-aids, water, comfort food, batteries, clocks, scissors, tweezers, juice and soup, toys and books.
- 5. Teach 9-1-1 to one and all; when and how to make the call.
- 6. Keep storm drains clean and gutters clear.
- 7. Volunteer to clean a creek.
- 8. Don't walk through floodwaters.
- 9. Don't drive through flooded streets.
- 10. If our car stalls as waters rise, we'll get out quick.
