## PART I. INTRODUCTION

This Blue Shield of California Health Plan will provide or arrange for the provision of Services to eligible Subscribers and Dependents of the Contractholder in accordance with the terms, conditions, limitations, and exclusions of this Group Health Service Contract.

The Evidence of Coverage and Disclosure Form (EOC) is included and made part of this Contract.

## PART II. DEFINITIONS

In addition to the provisions contained in the “*Definitions*” section of the EOC, the following provisions apply to this Group Health Service Contract:

**Employee** - (1) an individual engaged on a full-time basis in the conduct of the business of the Employer, whose normal work week is at least 20 hours, and whose duties in such employment are performed at the Employer’s regular places of business; and (2) an individual who is a retiree and who meets the eligibility requirements for retiree coverage as established by the Employer; or (3) a sole proprietor or partner of a partnership engaged on a full-time basis, at least 20 hours per week, in the Employer’s business and who is included as an Employee under a health care Plan Contract of the Employer.

An individual is ineligible for coverage who works part-time, temporary, or is employed on a substitute basis.

## PART III. ELIGIBILITY

### A. Employee Eligibility, Waiting Periods and Open Enrollment

In addition to the provisions contained in the *Eligibility for this plan* section of the EOC, the following provisions apply to this Group Health Service Contract:

1. The date of eligibility of Employees who enroll during the initial enrollment period shall be determined as follows:
  - a. Inasmuch as this Contract replaces a Contract between Blue Shield and the Employer, each individual in the employ of the Employer on the effective date of this Contract who was a Subscriber of Blue Shield by virtue of the Employer's previous Contract on the date immediately preceding the effective date of this Contract, who lives and/or works in the Plan Service Area is eligible on the effective date of this Contract.
  - b. Each individual, except as provided in paragraph a. above, shall be eligible to enroll on the first of the month following the completion of any applicable waiting period established by the Employer.
  - c. If associated Employers are added, the effective date of the amendment adding an associated Employer shall be treated as the effective date of this Contract for the purpose of determining the date of eligibility of the Employees of such Employer.
2. The date of eligibility of a former Employee, who has been re-employed, shall be determined as follows: The Employee's period of service prior to termination of employment shall be included in the determination of his date of eligibility, provided:
  - a. he has resumed active work within 6 months after such termination; or
  - b. if his previous employment was terminated due to entry into the Armed Forces, he has resumed active work within the time set by law for reinstatement of employment rights. However, there will be no waiting periods as prohibited by The Military & Veterans Code; or
  - c. if termination was due to disability, he has resumed active work within one month after ceasing to be disabled; otherwise he shall be considered as an Employee entering the employ of the Employer on the date he resumed work and shall be eligible on the date he completes the period of service specified in *A. I. b.*
3. If any class of Employees is not eligible under *A. I.*, and if an Employee transfers from such ineligible class to an eligible class, he shall be considered as having entered the employ of the Employer on the date of such transfer. Service in an ineligible class shall not be included in the determination of the date of eligibility.
4. The Employer agrees to offer health Benefits coverage to all eligible Employees during the initial enrollment period and distribute information as set forth in *Part IX., Contractholder Responsibility for Distribution and Notification Requirements*. In addition, the Employer agrees to get the Employee's signed acknowledgment of an explicit written notice in bold type specifying that failure to elect coverage during the initial enrollment period permits the Plan to impose, at the time of the Employee's later decision to elect coverage, an exclusion from coverage for a period of 12 months, or at the Employer's next Open Enrollment Period, whichever is earlier, unless the Employee meets the criteria specified in *paragraph 1.* of the definition of *Late Enrollee*. Blue Shield will not consider applications for earlier effective dates.
5. An Employee may transfer enrollment for himself or his Dependent(s) from another group health plan sponsored by the Employer to the health Plan covered by this Contract only during the Employer's annual Open Enrollment Period. The effective date of Benefits for such Employee and Dependent(s) shall be the first day of each subsequent April. Submission of evidence of acceptability is not required when application is made during this Open Enrollment Period.
6. The Employer shall timely report any additions or terminations of Employees or Dependents so that retroactive Dues adjustments are avoided and claims are not paid for ineligible individuals. However, if the Employer determines that

### **PART III. ELIGIBILITY**

it has made an administrative error in the processing of eligibility for an Employee or Dependent, Blue Shield will accept the retroactive changes subject to the following limitations:

- a. Blue Shield will accept enrollment of the Employee or Dependent retroactively for a maximum of 90 days, as long as Dues are paid by the Employer for the entire retroactive enrollment period. If an Employee or Dependent is retroactively enrolled pursuant to this, and the Employee or Dependent received covered health care services during that retroactive period, Blue Shield will reimburse the Employee for payments made for Covered Services received in accordance with the rules of the EOC, minus the Member's Copayments or Coinsurance as stated in the EOC;
  - b. Blue Shield will accept termination/disenrollment of the Employee or Dependent retroactive for a maximum of 90 days and will refund appropriate Dues paid for the retroactive termination period. In such case, Blue Shield reserves the right to request refund from the Employee for any payments made for services rendered during the retroactive termination period. In making a request for retroactive termination or disenrollment, Contractholder shall comply with all applicable state and federal law, including, but not limited to, the Patient Protection & Affordable Care Act and any related regulations.
7. The Employer agrees to comply with the requirements of Section 2708 of the Patient Protection & Affordable Care Act (Section 2708), which prohibits an employer from imposing a prohibited waiting period. "Waiting period" means a period that is required to pass before an otherwise eligible Employee will be able to enroll in coverage under the Group Contract. Specifically, Employer agrees:
- a. Any conditions of eligibility or waiting periods imposed on the eligible Employee will comply with the requirements of Section 2708 and California state law and any rules and regulations implementing those requirements.
  - b. Employer will notify Blue Shield if Employer imposes a waiting period on an eligible Employee that would exceed the time-period permitted by Section 2708.
  - c. The Employer must ensure that any orientation period that may be imposed by the Employer prior to the start of the waiting period is consistent with federal regulations. The Employer will notify Blue Shield of the Employee's eligibility for coverage after the orientation period.
  - d. Employer will notify Blue Shield if any changes are made regarding these representations.
  - e. Employer will hold Blue Shield harmless for any violation of the requirements of Section 2708 or California state law.

#### **B. Associated Employers**

Employees of the following listed Employers associated with the Employer as subsidiaries or affiliates are eligible for Benefits in accord with this Contract. For the purposes of this Contract only, service with any associated Employers shall be considered service with the Employer. The Employer may act for and on behalf of any associated Employers in all matters pertaining to this Contract, and every act done by, agreement made with, or notice given to the Employer shall bind all associated Employers.

## PART III. ELIGIBILITY

### C. Termination of Benefits

In addition to the provisions contained in the *When coverage ends* section of the EOC, the following provisions apply to this Group Health Service Contract:

1. The Benefits of a Member shall cease on the first day of the month following the month in which the Subscriber leaves voluntarily, or is dismissed from the employ of the Contractholder (except for retirees who meet the eligibility requirements for retiree coverage as established by the Contractholder) or otherwise ceases to be a member of a class eligible for coverage, unless a different date on which the Subscriber no longer meets the requirements for eligibility has been agreed to between Blue Shield and the Contractholder, except that:
  - a. if the Subscriber ceases active work because of a disability due to illness or bodily injury, or because of an approved leave of absence or temporary layoff, payment of Dues for that Subscriber shall continue coverage in force in accordance with the Employer's policy regarding such coverage; or,
  - b. if the Employer is subject to the California Family Rights Act of 1991 and/or the Federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave pursuant to such Acts, payment of Dues for that Subscriber shall keep coverage in force for the duration(s) prescribed by the Acts. The Employer is solely responsible for notifying Employees of the availability and duration of family leaves.
2. With respect to a newborn child or a child placed for adoption, coverage will cease on the 31<sup>st</sup> day at 11:59 p.m. Pacific Time following the Dependent's effective date of coverage, except that coverage shall not cease if a written or electronic application for the addition of the Dependent is submitted to and received by Blue Shield within 31 days following the effective date of coverage.

## PART IV. GROUP RENEWAL PROVISIONS

### A. Advance Notification of Blue Shield's Intent to Renew the Group Health Service Contract

The Employer shall be notified by Blue Shield of its intent to renew this Group Health Service Contract at least 90 days prior to the proposed effective date of the renewal. However, this renewal advance notification is distinct from, and does not alter the notification periods specified in *Part V. Dues, Paragraph D.*, or in *Part VIII. General Provisions, Paragraph D. Changes: Entire Contract.*

### B. Renewal of the Group Health Service Contract

Blue Shield will renew this Group Health Service Contract at the option of the Contractholder except in the following instances:

1. the Contractholder violates a material contract provision relating to Employer or other group contributions or group participation rates by the Contractholder or Employer;
2. the Contractholder fails to pay the required Dues as specified under *Part V. Dues*;
3. the Contractholder commits fraud or other intentional misrepresentation of material fact;
4. the Contractholder relocates outside of California;
5. Blue Shield ceases to offer a plan type purchased by the Contractholder;
6. Blue Shield ceases to offer health benefit plans in the state (withdrawal of all products).

### B. When and Where Payable

1. The initial Dues are due on the effective date of this Contract and subsequent Dues shall be due on the same date of each succeeding month ("the first month's transmittal date") thereafter, provided that the Dues due on any transmittal date shall not be deemed to have been paid unless the total Dues for all parts in force on such transmittal date have been paid.
2. Dues for Employees and/or Dependents who become eligible on a date other than the bill date are waived for the month during which eligibility for covered Benefits is attained. Dues for Employees and/or Dependents whose eligibility for covered Benefits terminates on a date other than the bill date are due in full for the month during which eligibility is terminated.
3. All Dues are payable by the Employer to Blue Shield of California. The payment of any Dues shall not maintain the Benefits under this Contract in force beyond the date immediately preceding the next transmittal date except as otherwise provided in *Part V. F.*

C. The terms of this Contract or the Dues payable therefor may be changed from time to time as set forth in *Part VIII., D. Changes: Entire Contract.*

D. The Employer shall remit to Blue Shield the amount specified in *Part V. A. ("the Dues")*. If a Federal, State or any other taxing or licensing authority imposes upon Blue Shield any tax or fee on account of any of the Employer's health benefit plans that is not included in the Dues, whether such tax or fee is based on Dues, gross receipts, enrollment or any other basis, Blue Shield may amend the Contract to increase the Dues by an amount sufficient to cover any such tax or fee rounded to the nearest cent. This amendment shall be effective as of the date stated in the notice, which shall not be earlier than the date of the imposition of such tax or fee, by mailing a postage prepaid notice of the amendment to the Employer

## PART V. Dues

at its address of record with Blue Shield at least 60 days before the effective date of the amendment. In the case of Federal excise taxes, Blue Shield may also amend the Dues to include any increased Federal income taxes to Blue Shield associated with such Federal excise taxes.

- E.** If benefit amounts are changed due to a change in the terms of this Contract or if a tax is levied under *Part V. D.*, the Dues charged therefor may be made, or the Dues credit therefor may be given, as of the effective date of such change.
- F.** A grace period of 30 days to pay all delinquent Dues and avoid cancellation will be granted for the payment of Dues accruing other than those due on the effective date of this Contract, during which period this Contract shall continue in force, but the Employer shall be liable to Blue Shield for the payment of all Dues accruing during the period the Contract continues in force during the grace period. Blue Shield will send a Notice of Start of Grace Period to the Employer after the last date of paid coverage. The 30-day grace period begins on the day the Notice of Start of Grace Period is dated. Cancellation for non-payment of Dues shall be in accordance with *PART VII.B.*
- G.** For the contract year 2021 - 2022, Blue Shield will credit \$130,000.00 of the Dues for the month of April to the Employer by May 31, 2021. If the Employer terminates this Contract prior to April 1, 2022, the Employer shall remit the full \$130,000.00 of the Dues for the month of April noted above to Blue Shield prior to termination of the Contract.

## **PART VI. INTER-PLAN ARRANGEMENTS (BLUECARD® PROGRAM AND OTHERS)**

### **Out-of-Area Services**

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as Inter-Plan Arrangements. Whenever a Member accesses Covered Services outside of California, the claim for those services may be processed through one of these Inter-Plan Arrangements and presented to Blue Shield for payment in accordance with the Blue Cross Blue Shield Association rules and procedures then in effect. The Inter-Plan Arrangements available to Members under this agreement are described generally below.

When Members access Covered Services outside of California, within the BlueCard Service Area, they may obtain care from participating health care providers that have a contractual agreement with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). In some instances, Members may obtain care from health care providers in the Host Blue geographic area that do not have a contractual agreement with the Host Blue (non-participating providers). Blue Shield's payment practices in both instances are described below.

### **BlueCard® Program**

The BlueCard® Program is an Inter-Plan Arrangement. Under this arrangement, when Members access Covered Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for fulfilling our contractual obligations. However, the Host Blue will be responsible for providing such services as contracting and handling substantially all interactions with its participating health care providers.

The financial terms of the BlueCard Program are described generally below.

### **Liability Calculation Method Per Claim**

Calculation of Member liability on claims for Covered Services processed through the BlueCard Program, if not a flat dollar copayment, will be based on the lower of the participating provider's billed charges for Covered Services or the negotiated price made available to Blue Shield by the Host Blue. The negotiated price may represent one of the following:

- (i) an actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases, or
- (ii) an estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced, or increased by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements, and performance-related bonuses or incentives; or
- (iii) an average price. An average price is a percentage of billed charges for Covered Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its health care providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual price, estimated price, or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., a prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid to providers or anticipated to be paid to or received from providers). However, the BlueCard Program requires that the amount paid by the Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by Blue Shield in determining the Employer's Premiums.

## **PART VI. INTER-PLAN ARRANGEMENTS (BLUECARD® PROGRAM AND OTHERS)**

### **Inter-Plan Arrangements: Federal/State Taxes/Surcharges/Fees**

In some instances, federal or state laws or regulations may impose a surcharge, tax, or other fee that applies to insured accounts. If applicable, Blue Shield will include any such surcharge, tax, or other fee in determining Employer's Premiums.

### **Special Cases: Value-Based Programs**

Blue Shield has included a factor for bulk distributions from Host Blues in the premium for Value-Based Programs when applicable under this agreement.

### **Non-Participating Providers Outside of California**

When Covered Services, other than Emergency Services, are received from non-participating providers outside of California, but within the BlueCard Service Area, the amount(s) a Member pays for such services will generally be based on the Host Blue's non-participating provider local payment, the Allowable Amount Blue Shield pays a Non-Participating provider in California if the Host Blue has no non-participating provider allowance, or the pricing arrangements required by applicable state law. In these situations, the Member may be responsible for the difference between the amount that the non-participating provider bills and the payment Blue Shield will make for the Covered Services as set forth in this paragraph.

Claims for covered Emergency Services are paid based on the Allowable Amount as defined in the EOC.

### **Blue Shield Global Core**

If Members are outside the BlueCard Service Area, they may be able to take advantage of Blue Shield Global Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard Service Area. Although Blue Shield Global Core assists Members with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue plan. As such, when Members receive care from providers outside the BlueCard Service Area, Members will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services. Details for Blue Shield Global Core claim submission are provided in the *Out-of-area services* section of the EOC.

## **PART VII. CANCELLATION/REINSTATEMENT/GRACE PERIOD**

### **A. Cancellation Without Cause**

The Employer may cancel this Contract at any time by written notice delivered or mailed to Blue Shield, effective on receipt or on such later date as specified in the notice.

### **B. Cancellation for Non-Payment of Dues**

Blue Shield may cancel this Contract for non-payment of Dues. If Dues are not received when due, coverage will end the day following the 30 day grace period, as described in Part V.F. hereof. The Employer will be liable for all Dues accrued while this Contract continues in force including those accrued during the 30-day grace period. In such case, Blue Shield will send a Notice of End of Coverage to the Employer and enrolled Employees no later than five calendar days after the date coverage ends. A new application for coverage will be required by the Employer and a new Contract will be issued only upon demonstration that the Employer meets all underwriting requirements at the time of application.

### **C. Cancellation/Rescission for Fraud, Intentional Misrepresentations of Material Fact**

Blue Shield may cancel or rescind this Contract within 24 months following issuance for fraud or intentional misrepresentation of material fact by the Employer; or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative. Fraud or intentional misrepresentations of material fact on an application or a health statement (if a health statement is required by the Employer) may, at the discretion of Blue Shield, result in the cancellation or rescission of this Contract. A rescission voids the Contract retroactively as if it was never effective. Blue Shield will send the Notice of Cancellation, Rescission or Nonrenewal to the Employer prior to any rescission. The Employer must provide enrolled Employees with a copy of the Notice of Cancellation, Rescission or Nonrenewal.

### **D. Grace Period**

The Employer shall be entitled to a grace period of 30 days for payment of Dues, as described in *PART V.F.* hereof. If during a grace period written notice is given by the Employer to Blue Shield that the Contract or (subject to the consent of Blue Shield) any part of the Contract is to be discontinued before the expiration date of the grace period, the Contract or such part shall be discontinued as of the date specified by the Employer or the date of receipt of such written notice by Blue Shield, whichever is the later date, and the Employer shall be liable to Blue Shield for the payment of pro rata Dues for the period commencing with the last transmittal date and ending with the date of such discontinuance.

### **E. Payment or Refund of Dues Upon Cancellation**

In the event of cancellation, the Employer shall promptly pay any earned Dues which have not previously been paid. Blue Shield shall within 30 days of cancellation (1) return to the Employer the amount of prepaid Dues, if any, that Blue Shield determines have not been earned as of the effective date of cancellation, and (2) provide Benefits of the Plan for Services incurred during the time coverage was in effect up to and including the effective date of cancellation.

### **F. Termination of Benefits**

No Benefits shall be provided for Services rendered after the effective date of cancellation, except as specifically provided in the *Continuation of group coverage and Extension of Benefits* sections of the EOC.

In the event this Contract is cancelled for any reason, including but not limited to for non-payment of Dues, no further Benefits will be provided after cancellation unless the Member is a registered Inpatient or is undergoing treatment for an ongoing condition and obtains an extension of Benefits in accordance with the *Extension of Benefits* section of the EOC.

### **G. Employer to Provide Subscribers with Notice of Cancellation, Rescission or Nonrenewal**

If this Contract is rescinded, or cancelled by either party, the Employer shall notify the Subscribers. If rescinded or cancelled by Blue Shield, the Employer shall promptly send a copy of Blue Shield's Notice of Cancellation, Rescission or Nonrenewal to each Subscriber and provide Blue Shield proof of such mailing and the date thereof.

## PART VIII. GENERAL PROVISIONS

In addition to the provisions contained in the EOC, the following provisions apply to this Group Health Service Contract:

### A. Choice of Providers

A Subscriber or Dependent may select any Hospital or Physician to provide covered Services hereunder, including providers outside of California. Benefits differ depending on whether a Participating Provider or a Non-Participating Provider is selected. It is to the Subscriber's advantage to select Participating Providers whenever possible. A Participating Provider Directory is available to all Subscribers by calling Blue Shield at (800) 331-2001 or writing to them at:

P.O. Box 2080  
Oakland, CA 94604

or

P.O. Box 92945  
Los Angeles, CA 90009

In the event that the inability to perform of a Participating Provider, the breach of the Contract to furnish Services by a Participating Provider, or the termination of a Participating Provider's Contract with Blue Shield may materially and adversely affect the Employer, Blue Shield will, within a reasonable time, advise the Employer in writing of such inability to perform, breach, or termination.

### B. Use of Masculine Pronoun

Whenever a masculine pronoun is used in this Contract, it shall include the feminine gender unless the context clearly indicates otherwise.

### C. Workers' Compensation

This Contract is not in lieu of, and shall not affect, any requirements for coverage by Workers' Compensation Insurance.

### D. Changes: Entire Contract

This Contract, including appendices, attachments, or other documents incorporated by reference constitutes the entire agreement between the parties, and any statement made by the Employer or by any Subscriber shall, in the absence of fraud, be deemed a representation and not a warranty.

The terms of this Contract, the Dues payable therefor, and the benefits of this Plan, including but not limited to Covered Services, Deductible, Copayment and annual Out-of-Pocket Maximum amounts, may be changed from time to time. Blue Shield will provide at least 60 days' written notice of any such change, and these changes shall not become effective until at least 60 days after written notice of such change is delivered or mailed to the Employer's last address as shown on the records of Blue Shield. Benefits for services furnished on or after the effective date of any Benefit modification shall be provided based on the modification. No change in this Contract shall be valid unless approved by an executive officer of Blue Shield and a written endorsement is issued. No other representative has authority to change this Contract or to waive any of its provisions.

Notice of changes in Benefits, and any documents that may be delivered to the Employer or the Employer's representative for the purpose of informing Members of the details of their coverage under this Contract, will be distributed by the Employer or his representative as set forth in *Part IX., Contractholder Responsibility for Distribution and Notification Requirements*.

### E. Statutory Requirements

This Contract is subject to the requirements of the Knox-Keene Health Care Service Plan Act, Chapter 2.2 of Division 2 of the California Health and Safety Code and Title 28 of the California Code of Regulations. Any provision required to be in this Contract by reason of the Act or Regulations shall bind Blue Shield whether or not such provision is actually included in this Contract. In addition, this Contract is subject to applicable state and federal statutes and regulations, which may include the Employee Retirement Income Security Act, Health Insurance Portability and Accountability Act

## PART VIII. GENERAL PROVISIONS

("HIPAA") and applicable Centers for Medicare and Medicaid Services ("CMS") requirements. Any provision required to be in this Contract by reason of such state and federal statutes shall bind the Group and Blue Shield whether or not such provision is actually included in this Contract.

### F. Legal Process

Legal process or service upon Blue Shield must be served upon a corporate officer of Blue Shield.

### G. Time of Commencement or Termination

Wherever this Contract provides for a date of commencement or termination of any part or all of this Contract, commencement or termination shall be effective as of 12:01 a.m. Pacific Time of the commencement date and as of 11:59 p.m. Pacific Time of the termination date.

### H. Records and Information to be Furnished

The Employer shall furnish Blue Shield with such information as Blue Shield may require to enable it to administer this Plan, to determine the Dues and to enable it to perform this Contract. CMS specifically requires Blue Shield to obtain the following information: Social Security numbers for Subscribers and dependents over forty-five (45) years of age, Subscriber employment status, Employer identification number and Employer size. Failure to provide any such information required by this Section may result in immediate Cancellation of this Contract.

### I. Inquiries and Complaints

Inquiries concerning any problems that may develop in the administration of this Contract should be directed to Blue Shield at the address or telephone number indicated on page *GC-1* of this Contract. (See also the *How to contact Customer Service* section of the EOC.)

### J. Confidentiality

The Contractholder shall comply with all applicable state and federal laws regarding the privacy and confidentiality of the personal and health information of Subscribers and Dependents. The Contractholder shall not require the Plan to release the personal and health information of individual Subscribers or Dependents without written authorization from the Subscriber, unless permitted by law. No information may be disclosed by either party in violation of Cal. Civ. Code §§ 56, et seq. At the request of the Contractholder, the Plan may provide aggregate, encrypted, or encoded data regarding Subscribers and Dependents to the Contractholder, unless such data would explicitly or implicitly identify specific Subscribers or Dependents. To the extent the Contractholder receives, maintains, or transmits personal or health information of Subscribers or Dependents electronically, the Contractholder shall comply with all state and federal laws relating to the protection of such information including, but not limited to, the Health Insurance Portability and Accountability Act (HIPAA) provisions on security and confidentiality.

### K. ERISA Plan Administrator

If the Contractholder's Plan is governed by ERISA (29 USC Sections 1001, et seq.), it is understood that Blue Shield is not the plan administrator for the purposes of ERISA. The plan administrator is the Contractholder.

### L. Special Cases: Value-Based Programs

Enrollees may access covered services from providers that participate in a Blue Shield Life Value-Based Program. Blue Shield Life Value-Based Programs include, but are not limited to, Accountable Care Organizations, Episode Based Payments, Patient Centered Medical Homes and Shared Savings arrangements.

Blue Shield Life has included any associated costs in the Dues for Blue Shield Life Value-Based Programs when applicable under this agreement.

## PART VIII. GENERAL PROVISIONS

### M. Producer Service Fee

The Contractholder has selected and entered into an agreement with **McGriff Insurance Services, Inc.** (“Producer”), under which the Producer has agreed to provide consulting services to the Contractholder in connection with the Contractholder’s Plan(s) (the “Service Agreement”), in return for payment from the Contractholder of compensation negotiated directly between the Contractholder and the Producer (the “Fee”). Blue Shield is not a party to the Service Agreement.

The Contractholder requests that Blue Shield receive from the Contractholder and pay to the Producer certain amounts comprising payment for the Producer’s services under the Service Agreement (the “Pass-Through Arrangement” or “Arrangement”).

#### 1. Blue Shield Duties and Responsibilities:

- a. Blue Shield agrees to accept from the Contractholder payment of the monthly Fee amount with the Contractholder’s payment of Blue Shield’s monthly Premium invoice to the Contractholder.
- b. Blue Shield will forward the Fee to the Producer within 30 days of receipt of the Fee from the Contractholder.
- c. Blue Shield will provide to the Contractholder a summary of the aggregate Fee paid by Blue Shield on behalf of the Contractholder to the Producer for each Calendar Year within 15 business days following the end of such Calendar Year.
- d. Blue Shield is not responsible for determining or confirming the correctness of any information provided by the Contractholder, including the amount of the Fee or the name or other payment information of the Producer to whom the Fee is to be paid; rather, Blue Shield is responsible only for the ministerial functions of receiving payment of the Fee and forwarding such payment to the Producer.

#### 2. The Contractholder Duties and Responsibilities:

- a. The Contractholder acknowledges and agrees that the Fee is not a part of the Premium charged to the Contractholder by Blue Shield, that using the Producer or any other agent or broker is not a requirement for the Contractholder to obtain coverage from Blue Shield and the Contractholder may obtain insurance policies directly from Blue Shield, and that the Contractholder, and not Blue Shield owes and is fully responsible to the Producer for the Fee.
- b. The Contractholder agrees to pay the Fee at the same time payment is made for the Premium for Blue Shield coverages.
- c. The Contractholder will notify Blue Shield immediately if the Service Agreement between the Contractholder and the Producer is terminated.
- d. The Contractholder will be responsible for any and all tax reporting related to the payment of the Fee to the Producer, including Form 1099s, if required.

#### 3. Payments and Adjustments:

- a. The Contractholder and the Producer have agreed that the amount of the Fee initially shall be 5.26% of the monthly Premium amount per month.
- b. The Contractholder will notify Blue Shield of any change to the Fee or the manner in which it is to be paid in writing. For purposes of Blue Shield’s duties and responsibilities under this Arrangement, any such change will be effective the first day of the month following Blue Shield’s receipt of such written notice of the change.
- c. The Contractholder will notify Blue Shield of a producer of record change in writing. For purposes of Blue Shield’s duties and responsibilities under this Arrangement, any such change will be effective the first day of

## PART VIII. GENERAL PROVISIONS

the month following Blue Shield's receipt of such written notice of the change. Following the change, Blue Shield will remit the Fee to the new producer.

- d. The parties acknowledge that any payment received by Blue Shield from the Contractholder will be applied first to Premiums due to Blue Shield, and any amount in addition to such Premiums to payment of the Fee. The Contractholder's failure to pay the Fee through Blue Shield will not subject the Contractholder to termination of any Blue Shield coverages for non-payment of Premium.
  - e. The Contractholder acknowledges and agrees that Blue Shield may deposit the Fee into a general account that may collect interest. Blue Shield may retain any interest or investment income on funds held in the account.
  - f. The Contractholder acknowledges and agrees that its Blue Shield coverages may, if otherwise eligible, be taken into account in the calculation of any bonus program offered by Blue Shield to the Producer.
4. Term and Termination:
- a. This Pass-Through Arrangement will automatically terminate as of the effective date of the termination of the Contractholder's Blue Shield coverages.
  - b. The Contractholder may terminate this Arrangement at any time by providing written notice to Blue Shield. Such termination will be effective the first day of the month following Blue Shield's receipt of the notice of termination.
  - c. Blue Shield may terminate this Arrangement by providing no less than sixty (60) days' prior written notice to the Contractholder.

## **PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS**

The Contractholder has various distribution of notices and Member materials and other notification requirements under this Group Health Service Contract. Some of the major Contractholder distribution and notification requirements are summarized below; however, this is a summary only and is not to be construed as an all-inclusive list.

### **A. Obtaining Declinations or Waivers of Coverage**

All eligible Employees will be offered health benefits coverage during the initial and subsequent enrollment periods. If an Employee elects to decline or waive coverage, the Employer is responsible for obtaining the Employee's signed acknowledgment of receipt of an explicit written notice in bold type specifying that failure to elect coverage during the Open Enrollment Period permits the Plan to impose an exclusion from coverage for a period of 12 months, or at the Employer's next Open Enrollment Period, whichever is earlier, unless the Employee meets the criteria specified in the definition of Late Enrollee as set forth in the EOC.

### **B. Distribution of Summary of Benefits and Coverage (SBC)**

A summary of benefits and coverage (SBC) will be issued by the Plan for all eligible Employees and Dependents. The Employer is solely responsible for the timely distribution of a complete SBC for each benefit plan offered. The Employer will distribute the SBCs free of charge to Members and prospective Members as required by applicable federal law and regulations.

The Employer shall distribute the SBCs in a manner which complies with applicable federal law and regulations. If the Employer does not distribute paper SBCs, then the Employer will ensure that any alternative or electronic distribution method used complies with applicable federal requirements.

If a material modification is made to the Employer's group health plan that impacts the SBC, other than at the time of renewal, then notice of the material change, as provided by Blue Shield, will be distributed by the Employer to the Subscriber and any Dependents no later than sixty (60) days prior to the date on which the modification will become effective. The notice shall be distributed in a manner that complies with applicable federal requirements.

In the event that the Employer fails to distribute SBCs to Members or prospective Members as required herein, Blue Shield will, after notice to the Employer, distribute SBCs as necessary to comply with applicable federal statutes and regulations. In such case, the Employer agrees to reimburse Blue Shield for the reasonable costs incurred by Blue Shield to generate and distribute the SBCs.

### **C. Distribution of Member ID Cards and EOC Booklets**

#### **1. Member ID Cards**

Membership identification cards will be issued by the Plan for all Subscribers and will either be sent to the Contractholder for distribution to the Subscribers, or sent directly to the Subscribers, depending on the Contractholder's instructions.

#### **2. EOC Booklets**

An EOC which summarizes the Benefits of this Contract and how to obtain covered Services will be issued by the Plan for all Subscribers. The Plan will send the EOC to the Contractholder, and, the Contractholder is responsible for distributing the EOC to Subscribers whether in printed, hardcopy or electronic form.

EOCs will be provided to the Contractholder in electronic form (such as by Compact Disk (CD) or posted on Blue Shield's employer website) or in paper hard copy form. If Contractholder receives the EOC in electronic form, Contractholder is not authorized to modify or alter in any way the text or the formatting of the electronic EOC file. Blue Shield assumes no responsibility for any changes in text or formatting that may occur in the EOC after it is provided to Contractholder. If Contractholder receives the EOC in hard copy form, Contractholder will notify Subscribers that printed hard copies of the EOC are available and will promptly distribute to Subscribers.

## **PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS**

Contractholder may ensure electronic distribution of the EOC to Subscribers by one of the following methods: (1) by posting the EOC in a read-only format on an intranet site which is accessed by Employees of Contractholder; (2) by emailing the EOC directly to Subscribers; or (3) by providing Subscribers with Blue Shield's instructions for accessing the EOC from the Blue Shield website.

If Contractholder posts the electronic EOC on its intranet site, it shall do so in such a way so as to permit Employees of Contractholder to download and print a complete and accurate copy of the EOC. Contractholder will notify Employees enrolled with Blue Shield that the EOC for their plan is available to review, download and print from Contractholder's intranet site, and will provide Subscribers with reasonable and appropriate instructions by which to access and print the document from its intranet site.

Contractholder will provide a hard copy of the EOC to an Employee upon request. If Blue Shield receives an inquiry from an Employee of the Contractholder regarding obtaining a copy of the EOC, Blue Shield will refer that individual to Contractholder's human resources benefits staff with instructions that a copy of the EOC is available from Contractholder on request. Contractholder has the option to request a supply of hard copies of the EOC in an amount not to exceed 10% of the total subscriber count at no additional charge.

In the event Blue Shield reasonably concludes that Contractholder is either using the electronic EOC in a matter not permitted by this Agreement or is not providing Subscribers with access to the EOC in accordance herewith, then Blue Shield will print copies of the EOC, and Contractholder will cooperate with Blue Shield to ensure that printed copies of the EOC are timely provided to all Employees of Contractholder enrolled with Blue Shield. Contractholder agrees to reimburse Blue Shield for the reasonable cost of printing and delivering the EOC documents.

### **D. Notice of Start of Grace Period or Notice of Cancellation, Rescission or Nonrenewal**

Upon receipt of a Notice of Start of Grace Period or a Notice of Cancellation, Rescission or Nonrenewal from the Plan, the Employer shall promptly send any such Notice to each subscriber in a manner which complies with applicable law.

### **E. Notification of COBRA and Cal-COBRA Coverage Option and Other COBRA/Cal-COBRA Notices**

The following provisions are applicable only when the Contractholder is subject to Title X. of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). See the *Continuation of group coverage and Extension of Benefits* sections of the EOC for additional information.

#### **1. COBRA**

Blue Shield is not the plan administrator or plan sponsor, as those terms are defined by ERISA, for any purpose, including but not limited to COBRA, and has no responsibility for the Contractholder's COBRA administration obligations.

To the extent required by COBRA, and upon timely receipt of Dues and proper enrollment forms, Blue Shield will continue the group coverage to qualified beneficiaries after the period that their coverage would normally terminate under the Contract.

Blue Shield will not be responsible for determining whether a Subscriber or Dependent is eligible to receive continuation coverage; such determination is based on the requirements of COBRA and the procedures established by the Contractholder or its COBRA administrator.

If the Contractholder or any Subscriber or Dependent fails to meet its obligations under the Contract and COBRA, Blue Shield shall not be liable for any claims of the Subscriber or Dependent after his/her termination of coverage, except as expressly provided in other applicable provisions of the Contract.

The Contractholder is solely responsible for all aspects of the administration of COBRA and any amendments with respect to the group health coverage provided by this Contract. The obligations of the Contractholder in the event that federal continuation of coverage requirements of COBRA apply to the Contractholder, include the following:

## **PART IX. CONTRACTHOLDER RESPONSIBILITY FOR DISTRIBUTION AND NOTIFICATION REQUIREMENTS**

- a. Contractholder or its COBRA administrator will complete and timely provide all notices and enrollment forms to all eligible Subscribers and Dependents (including the initial notice of COBRA rights) required under COBRA.
- b. Contractholder or its COBRA administrator will establish procedures to verify eligibility for COBRA coverage and receive COBRA election forms from Qualified Beneficiaries.
- c. The Contractholder will notify its COBRA administrator (or the Plan administrator if the Contractholder does not have a COBRA administrator) of the Subscriber's death, termination, or reduction of hours of employment, or of the Subscriber's Medicare entitlement, or the Employer's (Contractholder's) filing for reorganization under Title XI, United States Code.
- d. Contractholder or its COBRA administrator will establish a determination date upon which applicable COBRA rates may be annually changed and determine the applicable premium amount for qualified COBRA beneficiaries in accordance with its Contract with Blue Shield, adding the 2% administrative fee permitted by COBRA.
- e. Contractholder or its COBRA administrator will bill and collect premiums from COBRA Qualified Beneficiaries, and provide timely notification of nonpayment of COBRA continuation coverage premiums, per the terms of the Contract and COBRA.
- f. Contractholder or its COBRA administrator will remit premiums to Blue Shield on behalf of the COBRA qualified beneficiary until Blue Shield receives notice from the Contractholder that such beneficiary is no longer entitled to COBRA coverage.
- g. Contractholder or its COBRA administrator will provide notification of continuation of coverage rights to the extent required by COBRA or any other federal or state laws as applicable, on termination of COBRA coverage. The Contractholder or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end.
- h. Contractholder or its COBRA administrator will inform eligible Subscribers and Dependents of changes in the COBRA law as they occur, including an explanation of the impact of these changes upon COBRA coverage.
- i. The Contractholder agrees to assume responsibility for any and all COBRA violations resulting from the failure of the Contractholder or its COBRA administrator to perform its COBRA administration responsibilities.

### **2. Cal-COBRA**

Contractholders subject to the California Continuation Benefits Replacement Act (Cal-COBRA) are responsible for notifying Blue Shield in writing within 30 days when the Contractholder becomes subject to Section 4980B of the United States Internal Revenue Code or Chapter 18 of the Employee Retirement Income Security Act, 29 U.S.C. Section 1161 et seq.

Contractholders subject to the California Continuation Benefits Replacement Act (Cal-COBRA) are responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction in hours of employment within 30 days of the Qualifying Event.

## **EVIDENCE OF COVERAGE AND DISCLOSURE FORM**

An EOC booklet and any applicable Supplements will be issued by Blue Shield for all Subscribers covered under this Group Health Service Contract. The following pages contain the exact provisions of this EOC and any applicable Supplements and are included as part of this Contract.

Note: In the EOC, references to “you” or “your” shall mean the eligible Subscriber and/or Dependent of this Plan. References to “we” or “us” shall mean the Plan and/or Blue Shield of California.

The following are some frequently-utilized Benefits that require prior authorization:

- Outpatient mental health services, except office visits
- Inpatient facility services
- Hospice program services

Please review the Evidence of Coverage for more about Benefits that require prior authorization.

## Notes

### 1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

### 2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

This Plan has a combined Participating Provider and Non-Participating Provider Calendar Year Deductible.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year. Once the individual Deductible or Family Deductible is reached, cost sharing applies until the Out-of-Pocket Maximum is reached.

### 3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder (behavioral health) consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.

### 4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount, or
- any charges above the stated dollar amount, which is the Benefit maximum.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount or Benefit maximum, whichever is less.
- Charges above the Allowable Amount or Benefit maximum do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.

### 5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowable Amount, and charges for services above any Benefit maximum.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a combined Participating Provider and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year.

### 6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit Copayment in addition to an allergy serum Copayment when you visit the doctor for an allergy shot.

### 7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

## Introduction

---

Welcome! We are happy to have you as a Member of our Blue Shield of California (Blue Shield) health plan.

At Blue Shield, our mission is to ensure all Californians have access to high-quality health care at an affordable price. To achieve this mission, we pledge to:

- Provide personal service to you that is worthy of our family and friends; and
- Build deep, trusting relationships with providers to improve the quality of health care and lower the cost.

A Blue Shield health plan will help you pay for medical care and provide you with access to a network of doctors, Hospitals, and other Health Care Providers. The types of services that are covered, the providers you can see, and your share of cost when you receive care may vary depending on your plan.

### **About this Evidence of Coverage**

The Combined Evidence of Coverage and Disclosure Form (Evidence of Coverage) describes the health care coverage that is provided under the Group Health Service Contract (Contract) between Blue Shield and your Employer. The Evidence of Coverage tells you:

- Your eligibility for coverage;
- When coverage begins and ends;
- How you can access care;
- Which services are covered under your plan;
- Which services are not covered under your plan;
- When and how you must get prior authorization for certain services; and
- Important financial concepts, such as Copayment, Coinsurance, Deductible, and Out-of-Pocket Maximum.

This Evidence of Coverage includes a [Summary of Benefits](#) section that lists your Cost Share for Covered Services. Use this summary to figure out what your cost will be when you receive care.

Please read this Evidence of Coverage carefully. Some topics in this document are complex. For additional explanation on these topics, you may be directed to a section at the back of the Evidence of Coverage called [Other important information about your plan](#). Pay particular attention to sections that apply to any special health care needs you may have. Be sure to keep this Evidence of Coverage in your files for future reference.

## How to access care

---

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

### **Health care professionals and facilities**

This plan covers care from Participating Providers and Non-Participating Providers. You do not need a referral. However, some services do require prior authorization. See the [Medical Management Programs](#) section for information about prior authorization.

#### **Participating Providers**

Participating Providers have a contract with Blue Shield and agree to accept Blue Shield's Allowable Amount as payment in full for Covered Services. As a result, your Cost Share is less when you receive Covered Services from a Participating Provider.

Some services will not be covered unless you receive them from a Participating Provider. See the [Summary of Benefits](#) section to find out which Covered Services must be received from a Participating Provider.

If a provider leaves this plan's network, the status of the provider will change from Participating to Non-Participating.

Visit [blueshieldca.com](https://www.blueshieldca.com) or use the Blue Shield mobile app and click on **Find a Doctor** for a list of your plan's **Participating Providers**.

#### **Non-Participating Providers**

Non-Participating Providers do not have a contract with Blue Shield to accept Blue Shield's Allowable Amount as payment in full for Covered Services. Except for Emergency Services and services received at a Participating Hospital under certain conditions, you will pay more for Covered Services from a Non-Participating Provider.

#### **Non-Participating Providers at a Participating Provider facility**

When you receive care at a Participating Provider facility, some Covered Services may be provided by a Non-Participating Provider. Your Cost Share will be the same as the amount due to a Participating Provider under similar circumstances.

Blue Shield contracts with Benefit Administrators to manage the Benefits listed in the table below through their own network of providers. Benefit Administrators authorize services, process claims, and address complaints and grievances for those Benefits on behalf of Blue Shield. If you receive a Covered Service from a Benefit Administrator, you should interact with the Benefit Administrator in the same way you would otherwise interact with Blue Shield.

Blue Shield’s Benefit Administrators	
<i>Benefit Administrator</i>	<i>Benefit</i>

**ID cards**

Blue Shield will provide the Subscriber and any enrolled Dependents with identification cards (ID cards). Only you can use your ID card to receive Benefits. Your ID card is important for accessing health care, so please keep it with you at all times. Temporary ID cards are available at [blueshieldca.com](https://www.blueshieldca.com) or on the Blue Shield mobile app.

**Canceling appointments**

If you are unable to keep an appointment, you should notify the provider at least 24 hours before your scheduled appointment. Some offices charge a fee for missed

appointments unless it is due to an emergency or you give 24-hour advance notice. This fee will not be more than your Copayment or Coinsurance for the visit.

## **Continuity of care**

Continuity of care with a Non-Participating Provider may be available if your provider leaves the Blue Shield or MHPA networks, or if you are a newly-covered Member whose previous health plan was withdrawn from the market.

You can request to continue treatment with your Non-Participating Provider in the situations described above if you are currently receiving the following care:

- Ongoing treatment for an acute or serious chronic condition;
- Pregnancy care, including care immediately after giving birth;
- Treatment for a maternal mental health condition;
- Treatment for a terminal illness;
- Other services authorized by a now-terminated provider as part of a documented course of treatment; or
- Care for a child up to 36 months old.

To request continuity of care, visit [blueshieldca.com](https://www.blueshieldca.com) and fill out the Continuity of Care Application. Blue Shield will confirm your eligibility and review your request for Medical Necessity.

The Non-Participating Provider must agree to accept Blue Shield's Allowable Amount as payment in full for your ongoing care. If the provider agrees and your request is authorized, you may continue to see the Non-Participating Provider at the Participating Provider Cost Share for:

- Up to 12 months;
- For a maternal mental health condition, 12 months after the condition's diagnosis or 12 months after the end of the pregnancy, whichever is later; or
- If you have a terminal illness, for the duration of the terminal illness.

See the [Your payment information](#) section for more information about the Allowable Amount.

## **Second medical opinion**

You can consult a Participating or Non-Participating Provider for a second medical opinion in situations including but not limited to:

- You have questions about the reasonableness or necessity of the treatment plan;
- There are different treatment options for your medical condition;
- Your diagnosis is unclear;
- Your condition has not improved after completing the prescribed course of treatment;
- You need additional information before deciding on a treatment plan; or
- You have questions about your diagnosis or treatment plan.

You do not need prior authorization from Blue Shield or your PCP for a second medical opinion.

## **Care outside of California**

If you need medical care while traveling outside of California, you're covered. Blue Shield has relationships with health plans in other states, Puerto Rico, and the U.S. Virgin Islands through the BlueCard® Program. The Blue Cross Blue Shield Association can help you access care from participating and non-participating providers in those geographic areas.

See the [Out-of-area services](#) section for more information about receiving care while outside of California. To find participating providers while outside of California, visit [bcbs.com](http://bcbs.com).

## **Emergency Services**

If you have a medical emergency, **call 911 or seek immediate medical attention** at the nearest hospital.

The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition. Emergency Services are covered at the Participating Provider Cost Share, even if you receive treatment from a Non-Participating Provider.

After you receive care, Blue Shield will review your claim for Emergency Services to determine if your condition was in fact an Emergency Medical Condition. If you did not require Emergency Services and did not reasonably believe an emergency existed, you will be responsible for the Participating or Non-Participating Provider Cost Share for that non-emergency Covered Service.

For the lowest out-of-pocket expenses, you can go to a Participating Physician's office for emergency room follow-up services, such as suture removal and wound checks.

## **If you cannot find a Participating Provider**

Call Customer Service if you need help finding a Participating Provider who can provide the care you need close to home. If a Participating Provider is not available, you can ask to see a Non-Participating Provider at the Participating Provider Cost Share. If the services cannot reasonably be obtained from a Participating Provider, we will approve your request and you will only be responsible for the Participating Provider Cost Share.

## **Other ways to access care**

For non-emergencies, it may be faster and easier to access care in one of the following ways. For more information, visit [blueshieldca.com](http://blueshieldca.com) or use the Blue Shield mobile app.

### Retail-based health clinics

Retail-based health clinics are conveniently located within stores and pharmacies. They are staffed with nurse practitioners who can provide basic medical care on a walk-in basis.

The Cost Share for Covered Services at a Participating retail-based health clinic is the same as the Cost Share at your PCP's office.

### Teladoc

Teladoc provides primary care and behavioral health consultations by phone or online. Teladoc Physicians can diagnose and treat basic medical conditions, and can also prescribe certain medication. Teladoc behavioral health consultations are not available for Members under age 18. Members under age 18 may obtain telebehavioral health services for Mental Health and Substance Use Disorders from MHPA Participating Providers. Teladoc is a supplemental service that is not intended to replace care from your PCP or your MHPA Participating Provider.

How to access Teladoc	
By phone	Call 1-800-Teladoc 24 hours a day, 7 days a week
By secure online video	Visit <a href="https://teladoc.com/bsc">teladoc.com/bsc</a> 7 a.m. to 9 p.m. Pacific Time

### Telebehavioral health services

Online telebehavioral health services for Mental Health and Substance Use Disorder Conditions are available through MHPA Participating Providers and are a Covered Service regardless of your age. Telebehavioral health includes counseling services, psychotherapy, and medication management with a mental health provider. Visit [blueshieldca.com](https://blueshieldca.com) and click on Find a Doctor to access the MHPA network.

### Urgent care centers

Urgent care centers are free-standing facilities that provide many of the same basic medical services as a doctor's office, often with extended hours but similar Cost Share.

If your condition is not an emergency, but you need treatment that cannot be delayed, you can visit an urgent care center to receive care that is typically faster and costs less than an emergency room visit.

### Ambulatory Surgery Centers

Many of the more common, uncomplicated, outpatient surgical procedures can be performed at an Ambulatory Surgery Center. Your cost at an Ambulatory Surgery

Center may be less than it would be for the same outpatient surgery performed at a Hospital.

## **Timely access to care**

Participating Providers agree to provide timely access to care. This means that when you call for an appointment, you will see your provider within a reasonable timeframe. Blue Shield's access standards are listed below.

<b>When your appointment will occur</b>	
<b><i>Urgent appointments</i></b>	<b><i>Appointment will occur</i></b>

## Medical Management Programs

---

The Medical Management Programs are services that can help you coordinate your care and treatment. They include utilization management and care management. Blue Shield uses utilization management to help you and your providers identify the most appropriate and cost-effective way to use the Benefits of this plan. Care management and palliative care can help you access the care you need to manage serious health conditions and complex treatment plans.

For written information about **Blue Shield's Utilization Management Program**, visit [blueshieldca.com](https://www.blueshieldca.com).

### **Prior authorization**

Coverage for some Benefits requires pre-approval from Blue Shield. This process is called prior authorization. Prior authorization requests are reviewed for Medical Necessity, available plan Benefits, and clinically appropriate setting. The prior authorization process also identifies Benefits that are only covered from Participating Providers or in a specific clinical setting.

If you see a Participating Provider, your provider must obtain prior authorization when required. When prior authorization is required but not obtained, Blue Shield may deny payment to your provider. You are not responsible for Blue Shield's portion of the Allowable Amount if this occurs, only your Cost Share.

If you see a Non-Participating Provider, you or your provider must obtain prior authorization when required. When prior authorization is required but not obtained, and the services provided are determined not to be a Benefit of the plan or Medically Necessary, Blue Shield may deny payment and you will be responsible for all billed charges.

You do not need prior authorization for Emergency Services or emergency Hospital admissions at Participating or Non-Participating facilities. For non-emergency inpatient services, your provider should request prior authorization at least five business days before admission.

Visit [blueshieldca.com](https://www.blueshieldca.com) and click on Prior Authorization List for more details about medical and surgical services and select prescription Drugs that require prior authorization.

### **Prescription Drugs administered by a Health Care Provider**

Drugs administered by a Health Care Provider in a Physician's office, an infusion center, the Outpatient Department of a Hospital, or provided at home through a home infusion agency, are covered under the medical benefit and require prior authorization.

 <b>Frequently-utilized services that require prior authorization</b> 	
<b>Benefit</b>	<b>Services that require prior authorization</b>
Medical and prescription Drug	<ul style="list-style-type: none"> <li>• Surgery</li> <li>• Prescription Drugs administered by a Health Care Provider</li> <li>• Non-emergency inpatient facility services, such as Hospitals and Skilled Nursing Facilities</li> <li>• Non-emergency ambulance services</li> <li>• Routine patient care received while enrolled in a clinical trial</li> <li>• Hospice program enrollment</li> </ul>

 <b>When a decision will be made about your prior authorization request</b> 	
<b>Prior authorization or exception request</b>	<b>Time for decision</b>
Routine medical and mental health and substance use disorder requests	Within five business days
Expedited medical and mental health and substance use disorder requests	Within 72 hours

Expedited requests include urgent medical requests. Once the decision is made, your provider will be notified within 24 hours. Written notice will be sent to you and your provider within two business days.

### **While you are in the Hospital (inpatient utilization review)**

When you are admitted to the Hospital, your stay will be monitored for continued Medical Necessity. If it is no longer Medically Necessary for you to receive an inpatient level of care, Blue Shield will send a written notice to you, your provider, and the Hospital. If you choose to stay in the Hospital past the date indicated in this notice, you will be financially responsible for all inpatient charges after that date. Exceptions to inpatient utilization review include maternity and mastectomy care.

For maternity, the minimum length of an inpatient stay is 48 hours for a normal, vaginal delivery and 96 hours for a C-section. The provider and mother together may decide that a shorter length of stay is adequate.

For mastectomy, you and your provider determine the Medically Necessary length of stay after the surgery.

### **After you leave the Hospital (discharge planning)**

You may still need care at home or in another facility after you are discharged from the Hospital. Blue Shield will work with you, your provider, and the Hospital's discharge planners to determine the most appropriate and cost-effective way to provide this care.

### **Using your Benefits effectively (care management)**

Care management helps you coordinate your health care services and make the most efficient use of your plan Benefits. Its goal is to help you stay as healthy as possible while managing your health condition, to avoid unnecessary emergency room visits and repeated hospitalizations, and to help you with the transition from Hospital to home. A Blue Shield care management nurse may contact you to see how we might help you manage your health condition. You may also request care management support by calling Customer Service. A case manager can:

- Help you identify and access appropriate services;
- Instruct you about self-management of your health care conditions; and
- Identify community resources to lend support as you learn to manage a chronic health condition.

Alternative services may be offered when they are medically appropriate and only utilized when you, your provider, and Blue Shield mutually agree. The availability of these services is specific to you for a set period of time based on your health condition. Blue Shield does not give up the right to administer your Benefits according to the terms of this Evidence of Coverage or to discontinue any alternative services when they are no longer medically appropriate. Blue Shield is not obligated to cover the same or similar alternative services for any other Member in any other instance.

**Managing a serious illness (palliative care services)**

Blue Shield covers palliative care services if you have a serious illness. Palliative care provides relief from the symptoms, pain, and stress of a serious illness to help improve the quality of life for you and your family.

Palliative care services include access to Physicians and case managers who are specially trained to help you:

- Manage your pain and other symptoms;
- Maximize your comfort, safety, autonomy, and well-being;
- Navigate a course of care;
- Make informed decisions about therapy;
- Develop a survivorship plan; and
- Document your quality-of-life choices.

## Your payment information

---

### **Paying for coverage**

Your Employer is responsible for a monthly payment to Blue Shield for health care coverage for the Subscriber and any enrolled Dependents. This monthly payment is a Premium. Any amount the Subscriber must contribute to the Premium is set by your Employer.

The contract states the monthly Premiums for this plan for the Subscriber and any enrolled Dependents.

### **Paying for Covered Services**

Your Cost Share is the amount you pay for Covered Services. It is your portion of the Blue Shield Allowable Amount.

Your Cost Share includes any:

- Deductible;
- Copayment amount; and
- Coinsurance amount.

See the [Summary of Benefits](#) section for your **Cost Share** for Covered Services.

### **Allowable Amount**

The Allowable Amount is the maximum amount Blue Shield will pay for Covered Services, or the provider's billed charge for those Covered Services, whichever is less. Blue Shield's payment to the provider is the difference between the Allowable Amount and your Cost Share.

Participating Providers agree to accept the Allowable Amount as payment in full for Covered Services, except as stated in the [Exception for other coverage](#) and [Reductions – third party liability](#) sections. When you see a Participating Provider, you are responsible for:

- Your Cost Share; and
- Charges for services above any maximum Benefit allowance.

Generally, Blue Shield will pay its portion of the Allowable Amount and you will pay your Cost Share. If there is a payment dispute between Blue Shield and a Participating Provider over Covered Services you receive, the Participating Provider must resolve that dispute with Blue Shield. You are not required to pay for Blue Shield's portion of the Allowable Amount. You are only required to pay your Cost Share for those services.

Non-Participating Providers do not agree to accept the Allowable Amount as payment in full for Covered Services. When you see a Non-Participating Provider, you are responsible for:

**Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-599-2650.**

- Your Cost Share;
- All charges over the Allowable Amount; and
- Charges for services above any maximum Benefit allowance.

### **Calendar Year Deductible**

The Deductible is the amount you pay each Calendar Year for Covered Services before Blue Shield begins payment. Blue Shield will pay for some Covered Services before you meet your Deductible.

Amounts you pay toward your Deductible count toward your Out-of-Pocket Maximum.

Some plans do not have a Deductible. For plans that do, there may be separate Deductibles for:

- An individual Member and an entire Family; and
- Participating Providers and Non-Participating Providers.

If you have a Family plan, there is an individual Deductible within the Family Deductible. This means an individual family member can meet the individual Deductible before the entire Family meets the Family Deductible.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Deductible for your individual plan will be applied to both the individual Deductible and the Family Deductible for your new plan.

See the [Summary of Benefits](#) section for details on which Covered Services are subject to the Deductible and how the Deductible works for your plan.

### **Prior carrier Deductible credit**

If you pay all or part of a Deductible for another Employer-sponsored health plan in the same Calendar Year you enroll in this plan, that amount will be applied to this plan's Deductible if:

- You were enrolled in an Employer-sponsored health plan with another carrier during the same Calendar Year this contract becomes effective and you enroll as of the original effective date of coverage under this contract;
- You were enrolled in another Blue Shield plan sponsored by the same Employer which this plan is replacing; or
- You were enrolled in another Blue Shield plan sponsored by the same Employer and you are transferring to this plan during open enrollment.

### **Copayment and Coinsurance**

A Covered Service may have a Copayment or a Coinsurance. A Copayment is a specific dollar amount you pay for a Covered Service. A Coinsurance is a percentage of the Allowable Amount you pay for a Covered Service.

Your provider will ask you to pay your Copayment or Coinsurance at the time of service. For Covered Services that are subject to your plan's Deductible, you are also responsible for all costs up to the Allowable Amount until you reach your Deductible.

You will continue to pay the Copayment or Coinsurance for each Covered Service you receive until you reach your Out-of-Pocket Maximum.

### **Calendar Year Out-of-Pocket Maximum**

The Out-of-Pocket Maximum is the most you are required to pay in Cost Share for Covered Services in a Calendar Year. Your Cost Share includes Deductible, Copayment, and Coinsurance and these amounts count toward your Out-of-Pocket Maximum, except as listed below. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year. If you want information about your Out-of-Pocket Maximum, you can call Customer Service.

Some plans may have a separate Out-of-Pocket Maximum for:

- An individual Member and an entire Family;
- Participating Providers and Non-Participating Providers; and
- Participating Providers and combined Participating and Non-Participating Providers.

If you have a Family plan, there is an individual Out-of-Pocket Maximum within the Family Out-of-Pocket Maximum. This means an individual family member can meet the individual Out-of-Pocket Maximum before the entire Family meets the Family Out-of-Pocket Maximum.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Out-of-Pocket Maximum for your individual plan will be applied to both the individual Out-of-Pocket Maximum and the Family Out-of-Pocket Maximum for your new plan.

The following do not count toward your Out-of-Pocket Maximum:

- Charges for services that are not covered;
- Charges over the Allowable Amount; and
- Charges for services over any Benefit maximum.

You will continue to be responsible for these costs even after you reach your Out-of-Pocket Maximum.

See the [Summary of Benefits](#) section for details on how the Out-of-Pocket Maximum works for your plan.

## Cost Share concepts in action

### EXAMPLE Cost to visit the doctor

Now that you know the basics, here is an example of how your Cost Share works. Please note, the DOLLAR AMOUNTS IN THE EXAMPLE ARE EXAMPLES ONLY AND DO NOT REFLECT ACTUAL DOLLAR AMOUNTS FOR YOUR PLAN.

**Example:** You visit the doctor for a sore throat. You have received Covered Services throughout the year and have already met your \$500 Deductible. However, you have not yet met your \$1,000 Out-of-Pocket Maximum.

*Deductible: \$500*

*Amount paid to date toward Deductible: \$500*

*Out-of-Pocket Maximum: \$1,000*

*Amount paid to date toward Out-of-Pocket Maximum: \$500*

*Participating Provider Copayment: \$30*

*Non-Participating Provider Copayment: \$40*

*Blue Shield Allowable Amount for the doctor's visit: \$100*

*Non-Participating Provider billed charge for the doctor's visit: \$140*

	<b>Participating Provider</b>	<b>Non-Participating Provider</b>
<b>You pay</b>	<b>\$30</b> (\$30 Copayment)	<b>\$80</b> (\$40 Copayment plus \$40 for charges over Allowable Amount)
Blue Shield pays	\$70 (Allowable Amount minus your Cost Share)	\$60 (Allowable Amount minus your Cost Share)
Total payment to the doctor	\$100 (Allowable Amount)	\$140 (Billed charge)

In this example, because you have already met your Deductible, you are responsible for:

- Participating Provider: the Copayment; or
- Non-Participating Provider: the Copayment plus all charges over the Allowable Amount.

## Claims

When you receive health care services, a claim must be submitted to request payment for Covered Services. A claim must be submitted even if you have not yet met your Deductible. Blue Shield uses claims information to track dollar amounts that count toward your Deductible.

When you see a Participating Provider, your provider submits the claim to Blue Shield. When you see a Non-Participating Provider, you must submit the claim to Blue Shield or the Benefit Administrator. Claim forms are available at [blueshieldca.com](https://blueshieldca.com) or by contacting the Benefit Administrator.

How to submit a claim			
Type of claim	What to submit	Where to submit it	Due date
Medical services	<ul style="list-style-type: none"> <li>Blue Shield claim form; and</li> <li>The itemized bill from your provider</li> </ul>	Blue Shield of California P.O. Box 272540 Chico, CA 95927	Within one year of the service date
Mental Health and Substance Use Disorder Services	<ul style="list-style-type: none"> <li>Blue Shield claim form; and</li> <li>The itemized bill from your provider</li> </ul>	Blue Shield of California P.O. Box 272540 Chico, CA 95927	Within one year of the service date

### Claim processing and payments

Blue Shield or the Benefit Administrator will process your claim within 30 business days of receipt if it is not missing any required information. If your claim is missing any required information, you or your provider will be notified and asked to submit the missing information. Blue Shield cannot process your claim until we receive the missing information.

Once your claim is processed, you will receive an explanation of your Benefits. For each service, the explanation will list your Cost Share and the payment made by Blue Shield or the Benefit Administrator to the provider.

When you receive Covered Services from a Non-Participating Provider, Blue Shield or the Benefit Administrator may send the payment to the Subscriber, or directly to the Non-Participating Provider.

**The Subscriber** must make sure **the Non-Participating Provider** receives the **full billed amount** for non-emergency services, whether or not Blue Shield makes payment to the Non-Participating Provider.

## Your coverage

---

This section explains eligibility and enrollment for this plan. It also describes the terms of your coverage, including information about effective dates and the different ways your coverage can end.

### **Eligibility for this plan**

To be eligible for coverage as a Subscriber, you must meet all of your Employer's eligibility requirements and complete any waiting period established by your Employer.

#### **Dependent eligibility**

To be eligible for coverage as a Dependent, you must:

- Be listed on the enrollment form completed by the Subscriber; and
- Be the Subscriber's spouse, Domestic Partner, or be under age 26 and the child of the Subscriber, spouse, or Domestic Partner.
  - For the Subscriber's spouse to be eligible for this plan, the Subscriber and spouse must not be legally separated.
  - For the Subscriber's Domestic Partner to be eligible for this plan, the Subscriber and Domestic Partner must have a registered domestic partnership (except as otherwise permitted by your Employer).
  - "Child" includes a stepchild, newborn, child placed for adoption, child placed in foster care, and child for whom the Subscriber, spouse, or Domestic Partner is the legal guardian. It does not include a grandchild unless the Subscriber, spouse, or Domestic Partner has adopted or is the legal guardian of the grandchild.
  - A child age 26 or older can remain enrolled as a Dependent if the child is disabled, incapable of self-support because of a mental or physical disability, and chiefly dependent on the Subscriber for economic support.
    - The Dependent child's disability must have begun before the period he or she would become ineligible for coverage due to age.
    - Blue Shield will send a notice of termination due to loss of eligibility 90 days before the date coverage will end.
    - The Subscriber must submit proof of continued eligibility for the Dependent at Blue Shield's request. Blue Shield may not request this information again for two years after the initial determination. Blue Shield may request this information no more than once a year after that. The Subscriber's failure to provide this information could result in termination of a Dependent's coverage.

### **Enrollment and effective dates of coverage**

As the Subscriber, you can enroll in coverage for yourself and your Dependents during your initial enrollment period, your Employer's annual open enrollment period, or if you qualify for a special enrollment period.

You are eligible for coverage as a Subscriber on the day following the date you complete any applicable waiting period established by your Employer. Coverage starts at 12:01 a.m. Pacific Time on the effective date of coverage. The Benefits of this plan

**Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-599-2650.**

are not available before the effective date of coverage. This Contract has a 12-month term that begins on your Employer's effective date of coverage.

### Open enrollment period

The open enrollment period is the time when most people apply for coverage or change coverage. You will have an annual open enrollment period set by your Employer. Your Employer will notify its Employees of the open enrollment period each year.

### Special enrollment period

A special enrollment period is a time outside open enrollment when you can apply for coverage or change coverage. A special enrollment period begins with a Qualifying Event.

A special enrollment period gives you at least 30 days from a Qualifying Event to apply for or change coverage for yourself or your Dependents. See the [Special enrollment period](#) section for more information. You should notify your Employer as soon as possible if you experience a Qualifying Event that requires a change in your coverage.

## Common Qualifying Events

Change in Dependents

---

Loss of coverage under another employer health plan or other health insurance

---

Loss of eligibility in a government program

---

 For a complete list of Qualifying Events, see [Special enrollment period](#) on page 70 in the [Other important information about your plan](#) section.

### Effective date of coverage for most special enrollment periods

If enrolled during initial enrollment or open enrollment, a Dependent will have the same effective date of coverage as the Subscriber. However, a Dependent may have a different effective date of coverage if added during a special enrollment period. Generally, if the Employee or Dependents qualify for a special enrollment period, coverage will begin no later than the 1<sup>st</sup> of the month following the date Blue Shield receives the request for special enrollment from your Employer.

### Effective date of coverage for a new Dependent child

Coverage starts immediately for a:

- Newborn;

- Adopted child;
- Child placed for adoption;
- Child placed in foster care; or
- Child for whom the Subscriber, spouse, or Domestic Partner is the court-appointed legal guardian.

For coverage to continue beyond 31 days for a newborn, adopted child, or child placed for adoption, the Subscriber must **notify the Employer within 31 days** of birth, adoption, or placement for adoption and request that the child be added as a Dependent.

If both partners in a marriage or Domestic Partnership are eligible Employees and Subscribers, both are eligible for Dependent Benefits. You may enroll a child as a Dependent of either or of both parents.

A child will be considered adopted for the purpose of Dependent eligibility when one of the following happens:

- The child is legally adopted;
- The child is placed for adoption and there is evidence of the Subscriber, spouse, or Domestic Partner's right to control the child's health care; or
- The Subscriber, spouse, or Domestic Partner is granted legal authority to control the child's health care.

The child's eligibility as a Dependent will continue while waiting for a legal decree of adoption unless the child is removed from the Subscriber, spouse, or Domestic Partner's home before the decree is issued.

## **Plan changes**

Blue Shield has the right to change the Benefits and terms of this plan as the law permits. This includes, but is not limited to, changes to:

- Terms and conditions;
- Benefits;
- Cost Shares;
- Premiums; and
- Limitations and exclusions.

Blue Shield will give your Employer written notice of Premium or coverage changes. We will send this notice at least 60 days prior to plan renewal or the effective date of the Benefit change. Your Employer is responsible for letting you know of any changes. Benefits provided after the effective date of any change will be subject to the change. There is no vested right to obtain the original Benefits.

## **Coordination of benefits**

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits determines which plan will pay first when both plans have responsibility for paying the

medical claim. For more information, see the [Coordination of benefits, continued](#) section.

## **When coverage ends**

Your coverage will end if:

- Your Employer cancels or does not renew coverage;
- The Subscriber cancels coverage; or
- Blue Shield cancels or rescinds coverage.

There is no right to receive the Benefits of this plan after coverage ends, except as described in the [Continuation of group coverage](#) section.

### **If your Employer cancels coverage**

Your Employer may cancel coverage at any time. To cancel coverage, your Employer must provide written notice to Blue Shield and its Employees.

### **If the Subscriber cancels coverage**

If the Subscriber decides to cancel coverage, coverage will end at 11:59 p.m. Pacific Time on a date determined by your Employer.

### **Reinstatement**

If the Subscriber voluntarily cancels coverage, the Subscriber can contact the Employer for reinstatement options.

### **If Blue Shield cancels coverage**

Blue Shield can cancel coverage if:

- You are no longer eligible for coverage in this plan;
- Your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements;
- Blue Shield terminates this plan; or
- You or your Employer commit fraud or intentional misrepresentation of material fact.

Blue Shield will provide 30 days' advance written notice of cancellation of coverage to your Employer if your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements. It is your Employer's responsibility to provide a copy of the notice to its Employees.

### **Cancellation for Employer's nonpayment of Premiums**

Blue Shield can cancel coverage if your Employer does not pay the required Premiums in full and on time. Your Employer is responsible for all Premiums during the term of coverage, including the 30-day grace period. If Blue Shield cancels coverage due to nonpayment of Premiums, Blue Shield will send a Notice of End of Coverage to you and your Employer no later than five calendar days after the date coverage ends.

## **Cancellation or rescission for fraud or intentional misrepresentation of material fact**

Blue Shield may cancel or rescind your coverage if you, your Dependent, or your Employer commit fraud or intentional misrepresentation of material fact. Blue Shield will send the Notice of Cancellation, Rescission or Nonrenewal to your Employer prior to any rescission. Your Employer must provide you with a copy of the Notice of Cancellation, Rescission or Nonrenewal. Rescission voids the Contract as if it never existed. Cancellation is effective on the date specified in the Notice of Cancellation, Rescission or Nonrenewal and the Notice of End of Coverage.

## **Extension of Benefits**

If you become Totally Disabled while covered under this plan and continue to be Totally Disabled on the date the Contract terminates, Blue Shield will extend Benefits directly related to the condition, illness, or injury causing your Total Disability until one of the following occurs:

- 12 months from the effective date of termination;
- The date you are no longer Totally Disabled; or
- The date on which a replacement carrier provides coverage for your Total Disability.

Your extension of Benefits will be subject to all the limitation and restrictions of this plan.

You will not receive an extension of Benefits unless a Physician provides Blue Shield with written certification of your Total Disability within 90 days of the effective date of termination. After that, the Physician must continue to provide written certification of your Total Disability at reasonable intervals Blue Shield determines.

## **Continuation of group coverage**

Please examine your options carefully before declining this coverage.

You can continue coverage under this group plan when your Employer is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA), as amended, or the California Continuation Benefits Replacement Act (Cal-COBRA).

Your benefits under the group continuation of coverage provisions will be identical to the Benefits you would have received as an active Employee if the qualifying event had not occurred. Any changes in the coverage available to active Employees will also apply to group continuation coverage.

### **COBRA**

You may elect to continue group coverage under this plan if you would otherwise lose coverage because of a COBRA qualifying event. Please contact your Employer for detailed information about COBRA continuation coverage, including eligibility, election of coverage, and Premiums.

### **Cal-COBRA**

If you enroll in COBRA and exhaust the time limit for COBRA group continuation coverage, you may be able to continue your group coverage under Cal-COBRA for a combined total (COBRA plus Cal-COBRA) of 36 months.

**Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-599-2650.**

You will not be eligible for benefits under Cal-COBRA if, at the time of the Cal-COBRA qualifying event, you are entitled to benefits under Medicare or are covered under another group health plan. Medicare entitlement means that you are eligible for Medicare benefits and enrolled in Part A only.

### **Cal-COBRA qualifying event**

A Cal-COBRA qualifying event is an event that, except for the election of continuation coverage, would result in a loss of coverage for the Subscriber or eligible Dependents:

- The death of the Subscriber;
- Termination of the Subscriber's employment (except termination for gross misconduct which is not a qualifying event);
- Reduction in hours of the Subscriber's employment;
- Divorce or legal separation of the Subscriber from the covered spouse;
- Termination of the Subscriber's domestic partnership with a covered Domestic Partner;
- Loss of Dependent status by a covered Dependent;
- The Subscriber's entitlement to Medicare (This only applies to a covered Dependent); and
- With respect to any of the above, such other qualifying event as may be added to Cal-COBRA.

A child born to or placed for adoption with a covered Subscriber or Domestic Partner during the Cal-COBRA group coverage continuation period may be immediately added as a Dependent provided the Employer is properly notified of the birth or placement for adoption, and the child is enrolled within 31 days of the birth or placement for adoption.

### **Notification of a qualifying event**

You are responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership, or a Dependent's loss of Dependent status under this plan. This notice must be given within 60 days of the date of the qualifying event. Failure to provide such notice within 60 days will disqualify you from receiving continuation coverage under Cal-COBRA.

Your Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the qualifying event.

When Blue Shield is notified that a qualifying event has occurred, Blue Shield will, within 14 days, provide you with written notice of your right to continue group coverage under this plan. You must then give Blue Shield notice in writing of your election of continuation coverage within 60 days of the date of the notice of your right to continue group coverage, or the date coverage terminates due to

the qualifying event, whichever is later. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If you do not notify Blue Shield within 60 days, your coverage will terminate on the date you would have lost coverage because of the qualifying event.

If this plan replaces a previous group plan that was in effect with your Employer, and you had elected Cal-COBRA continuation coverage under the previous plan, you may continue coverage under this plan for the balance of your Cal-COBRA eligibility period. To begin Cal-COBRA coverage with Blue Shield, you must notify us within 30 days of the date you were notified of the termination of your previous group plan.

### **Duration and extension of group continuation coverage**

COBRA enrollees who reach the maximum coverage period available under COBRA may elect to continue coverage under Cal-COBRA for a combined maximum period of 36 months from the date continuation of coverage began under COBRA. You must notify Blue Shield of your Cal-COBRA election at least 30 days before COBRA termination. Your Cal-COBRA coverage will begin immediately after the COBRA coverage ends.

You must exhaust all available COBRA coverage before you can become eligible to continue coverage under Cal-COBRA.

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this plan for up to a maximum of 36 months, regardless of the type of qualifying event.

In no event will continuation of group coverage under COBRA, Cal-COBRA, or a combination of COBRA and Cal-COBRA be extended for more than 36 months from the date of the qualifying event that originally entitled you to continue your group coverage under this plan.

### **Payment of Premiums**

Premiums for continuing coverage will be 110 percent of the applicable group Premium rate, except if you are eligible to continue Cal-COBRA coverage beyond 18 months because of a Social Security disability determination. In that case, the Premiums for months 19 through 36 will be 150 percent of the applicable group Premium rate.

Cal-COBRA enrollees must submit Premiums directly to Blue Shield. The initial Premiums must be paid within 45 days of the date you provided written notification to Blue Shield of your election to continue coverage and must be sent to Blue Shield by first-class mail or other reliable means. You must pay the entire amount due within the 45-day period or you will be disqualified from Cal-COBRA continuation coverage.

### **Effective date of the continuation of group coverage**

If your initial group continuation coverage is Cal-COBRA rather than COBRA, your Cal-COBRA coverage will begin on the date your coverage under this plan would otherwise end due to a qualifying event. Your coverage will continue for

up to 36 months unless terminated due to an event described in the *Termination of group continuation coverage* section.

### **Termination of group continuation coverage**

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

- Termination of the Contract (if your Employer continues to provide any group benefit plan for Employees, you may be able to continue coverage with another plan);
- Failure to pay Premiums in full and on time to Blue Shield. Coverage will end as of the end of the period for which Premiums were paid;
- You become covered under another group health plan;
- You become entitled to Medicare; or
- You commit fraud or deception in the use of the services of this Plan.

### **Continuation of group coverage while on leave**

Employers are responsible to ensure compliance with state and federal laws regarding leaves of absence, including the California Family Rights Act, the Family and Medical Leave Act, the Uniformed Services Employment and Re-employment Rights Act, and Labor Code requirements for Medical Disability.

#### **Family leave**

The California Family Rights Act of 1991 and the federal Family & Medical Leave Act of 1993 allow you to continue your coverage under this plan while you are on family leave. Your Employer is solely responsible for notifying their Employee of the availability and duration of family leaves.

#### **Military leave**

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) allows you to continue your coverage under this plan while you are on military leave. If you are planning to enter the Armed Forces, you should contact your Employer for information about your rights under the (USERRA).

#### **Special transplants**

Benefits are available for special transplants only if:

- The procedure is performed at a special transplant facility contracting with Blue Shield, or if you access this Benefit outside of California, the procedure is performed at a transplant facility designated by Blue Shield; and
- You are the recipient of the transplant.

Special transplants are:

- Human heart transplants;
- Human lung transplants;
- Human heart and lung transplants in combination;
- Human liver transplants;
- Human kidney and pancreas transplants in combination;
- Human bone marrow transplants, including autologous bone marrow transplantation (ABMT) or autologous peripheral stem cell transplantation used to support high-dose chemotherapy when such treatment is Medically Necessary and is not Experimental or Investigational;
- Pediatric human small bowel transplants; and

**Donor services**

Transplant Benefits include coverage for donation-related services for a living donor, including a potential donor, or a transplant organ bank. Donor services must be directly related to a covered transplant for a Member of this plan.

Donor services include:

- Donor evaluation;
- Harvesting of the organ, tissue, or bone marrow; and
- Treatment of medical complications for 90 days after the evaluation or harvest procedure.

**Urgent care services**

Benefits are available for urgent care services you receive at an urgent care center or during an after-hours office visit. You can access urgent care instead of going to the emergency room if you have a medical condition that is not life-threatening but prompt care is needed to prevent serious deterioration of your health.

See the [Out-of-area services](#) section for information on urgent care services outside California.

## Grievance process

---

Blue Shield has a formal grievance process to address any complaints, disputes, requests for reconsideration of health care coverage decisions made by Blue Shield, or concerns with the quality of care you received from a provider. Blue Shield will receive, review, and resolve your grievance within the required timeframes.

### **Submitting a grievance**

If you have a question about your Benefits or any action taken by Blue Shield (or a Benefit Administrator), your first step is to make an inquiry through Customer Service. If Customer Service is not able to fully address your concerns, you can then submit a grievance or ask the Customer Service representative to submit one for you. If Blue Shield denies authorization or coverage for health care services, you can appeal the denial and Blue Shield will reconsider your request.

You have 180 days after a denial or other incident to submit your grievance to Blue Shield. Your provider, or someone you choose to represent you, can also submit a grievance on your behalf.

The fastest way to submit a grievance is online at [blueshieldca.com](https://www.blueshieldca.com). You can also submit the form by mail or begin the grievance process by calling Customer Service.

 <b>Where to mail grievances</b> 	
<b>Type of grievance</b>	<b>Address</b>
Medical Benefits, and prescription Drug Benefits if selected as an optional Benefit by your Employer	Blue Shield of California Customer Service Appeals and Grievance P.O. Box 5588 El Dorado Hills, CA 95762
Mental Health and Substance Use Disorder Services from an MHSA Participating Provider	Blue Shield of California Mental Health Service Administrator P.O. Box 719002 San Diego, CA 92171
Mental Health and Substance Use Disorder Services from an MHSA Non-Participating Provider	Blue Shield of California Customer Service Appeals and Grievance P.O. Box 5588 El Dorado Hills, CA 95762

Once Blue Shield or the MHSA receives your grievance, they will send a written acknowledgment within five calendar days.

Blue Shield will resolve your grievance and provide a written response within 30 calendar days. The response will explain what action you can take if you are not satisfied with how your grievance is resolved.

**Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-599-2650.**

If your Employer selected the optional Prescription Drug Benefits Rider, and Blue Shield denies an exception request for coverage of a non-Formulary Drug, you may submit a grievance requesting an external exception request review. Blue Shield will ensure a decision within 72 hours.

### **Expedited grievance request**

You can submit an expedited grievance request to Blue Shield when the routine grievance process might seriously jeopardize your life, health, or recovery, or when you are experiencing severe pain.

Blue Shield will make a decision within three calendar days for expedited grievance requests related to medical Benefits and Mental Health and Substance Use Disorder Services.

Once a decision is made, Blue Shield will notify you and your provider as soon as possible to accommodate your condition.

### **California Department of Managed Health Care review**

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-855-599-2650 and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are Experimental or Investigational, and payment disputes for emergency or urgent medical services.

The Department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's internet website ([www.dmhc.ca.gov](http://www.dmhc.ca.gov)) has complaint forms, IMR application forms, and instructions online.

If you feel Blue Shield improperly cancels, rescinds, or does not renew coverage for you or your Dependents, you can submit a request for review to Blue Shield or to the Director of the California Department of Managed Health Care. Any request for review submitted to Blue Shield will be treated as an expedited grievance request.

### **Independent medical review**

You may be eligible for an independent medical review if your grievance involves a claim or service for which coverage was denied on the grounds that the service is:

- Not Medically Necessary; or
- Experimental or Investigational (including the external review available under the Friedman-Kowles Experimental Treatment Act of 1996).

You can apply to the Department of Managed Health Care (DMHC) for an independent medical review of the denial. For a Medical Necessity denial, you must first submit a grievance to Blue Shield and wait for at least 30 days before requesting an independent medical review. However, if the request qualifies for an expedited review as described above, or if it involves a determination that the requested service is Experimental or Investigational, you may request an independent medical review as soon as you receive a notice of denial from Blue Shield. The DMHC's application for independent medical review is included with your appeal outcome letter.

The DMHC will review your application. If the request qualifies for independent medical review, the DMHC will select an independent review organization to conduct a clinical review of your medical records. You can submit additional records for consideration as well. There is no cost to you for this independent medical review. You and your provider will receive copies of the independent medical review determination. The decision of the independent review organization is binding on Blue Shield. If the reviewer determines that the requested service is clinically appropriate, Blue Shield will arrange for the service to be provided or the disputed claim to be paid.

The independent medical review process is in addition to any other procedures or remedies available to you to resolve coverage disputes. It is completely voluntary. You are not required to participate in the independent medical review process, but if you do not, you may lose your statutory right to pursue legal action against Blue Shield regarding the disputed service.

### **ERISA review**

If your Employer's health plan is governed by the Employee Retirement Income Security Act ("ERISA"), you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved. Additionally, you and your Employer-sponsored plan may have other voluntary alternative dispute resolution options, such as mediation.

## Other important information about your plan

---

This section provides legal and regulatory details that impact your health care coverage. This information is a supplement to the information provided in earlier sections of this document and is part of the contractual agreement between the Subscriber and Blue Shield.

### Your coverage, continued

#### Special enrollment period

For more information about special enrollment periods, see [Special enrollment period](#) on page 36 in the [Your coverage](#) section.

A special enrollment period is a timeframe outside of open enrollment when an eligible Subscriber or Dependent can enroll in, or change enrollment in, a health plan. The special enrollment period is 30 days following the date of a Qualifying Event except as otherwise specified below. The following are examples of Qualifying Events. For complete details and a determination of eligibility for special enrollment, please consult your Employer.

- Loss of eligibility for coverage, including the following:
  - The eligible Employee or Dependent loses coverage under another employer health benefit plan or other health insurance and meets all of the following requirements:
    - The Employee or Dependent was covered under another employer health benefit plan or had other health insurance coverage at the time the Employee was initially offered enrollment under this Plan;
    - If required by the Employer, the Employee certified, at the time of the initial enrollment, that coverage under another employer health benefit plan or other health insurance was the reason for declining enrollment provided that the Employee was given notice that such certification was required and that failure to comply could result in later treatment as a Late Enrollee;
  - The Employee or Dependent was eligible for coverage under the Healthy Families Program or Medi-Cal and such coverage was terminated due to loss of such eligibility, provided that enrollment is requested no later than 60 days after the termination of coverage;
  - The eligible Employee or Dependent loses coverage due to legal separation, divorce, loss of dependent status, death of the Employee, termination of employment, or reduction in the number of hours of employment;
  - In the case of coverage offered through an HMO, loss of coverage because the eligible Employee or Dependent no longer resides, lives, or works in the service area (whether or not within the choice of the

- individual), and if the previous HMO coverage was group coverage, no other benefit package is available to the Employee or Dependent;
- Termination of the employer health plan or contributions to Employee or Dependent coverage;
- Exhaustion of COBRA group continuation coverage; or
- The Employee or Dependent is eligible for coverage under the Healthy Families Program or Medi-Cal premium assistance program, provided that enrollment is within 60 days of the notice of eligibility for these premium assistance programs;
- A court has ordered that coverage be provided for a spouse or Domestic Partner or minor child under a covered Employee's health benefit plan. The health plan shall enroll a Dependent child effective the first day of the month following presentation of a court order by the district attorney, or upon presentation of a court order or request by a custodial party or the Employer, as described in Sections 3751.5 and 3766 of the Family Code; or
- An eligible Employee acquires a Dependent through marriage, establishment of domestic partnership, birth, or placement for adoption. Applies to both the Employee and the Dependent.

## **Cancellation for Employer's nonpayment of Premiums**

### **Premium grace period**

After payment of the first Premium, your Employer has a 30-day grace period from the due date to pay all outstanding Premiums before coverage is canceled due to nonpayment of Premiums. Coverage will continue through the grace period. However, if your Employer does not pay all outstanding Premiums within the grace period, coverage will end the day following the 30-day grace period. Your Employer will be liable for all Premiums owed, even if coverage is canceled. This includes Premiums for coverage during the 30-day grace period. Blue Shield will send a Notice of End of Coverage to you and your Employer no later than five calendar days after the day coverage ends.

## **Out-of-area services**

### **Overview**

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called Inter-Plan Arrangements and they work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever you receive Covered Services outside of California, the claims for those services may be processed through one of these Inter-Plan Arrangements described below.

When you access Covered Services outside of California, but within the United States, the Commonwealth of Puerto Rico, or the U.S. Virgin Islands (BlueCard® Service Area), you will receive the care from one of two kinds of providers. Participating providers contract with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). Non-participating providers don't contract with the Host Blue. Blue Shield's payment practices for both kinds of providers are described below and in the [Introduction](#) section of this Evidence of Coverage.

**Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-599-2650.**

See the [Care outside of California](#) section for more information about receiving care while outside of California. To find participating providers while outside of California, visit [bcbs.com](http://bcbs.com).

## Inter-Plan Arrangements

### Emergency Services

Members who experience an Emergency Medical Condition while traveling outside of California should seek immediate care from the nearest Hospital. The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition.

### BlueCard® Program

Under the BlueCard® Program, benefits will be provided for Covered Services received outside of California, but within the BlueCard® Service Area. When you receive Covered Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers, including direct payment to the provider.

Whenever you receive Covered Services outside of California, within the BlueCard Service Area, and the claim is processed through the BlueCard® Program, your Member share of cost for these services, if not a flat dollar Copayment, is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to Blue Shield.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims as noted above. However, such adjustments will not affect the price Blue Shield used for your claim because these adjustments will not be applied retroactively to claims already paid.

To find participating BlueCard® providers you can call BlueCard Access® at 1-800-810-BLUE (2583) or go online at [bcbs.com](http://bcbs.com) and select "Find a Doctor."

Prior authorization may be required for non-emergency services. Please see the [Medical Management Programs](#) section for additional information on prior authorization and the [Emergency Benefits](#) section for information on emergency admission notification.

### **Non-participating providers outside of California**

When Covered Services are provided outside of California and within the BlueCard® Service Area by non-participating providers, the amount you pay for such services will normally be based on either the Host Blue's non-participating provider local payment, the Allowable Amount Blue Shield pays a Non-Participating Provider in California if the Host Blue has no non-participating provider allowance, or the pricing arrangements required by applicable state law. In these situations, you will be responsible for any difference between the amount that the non-participating provider bills and the payment Blue Shield will make for Covered Services as set forth in this paragraph.

If you do not see a participating provider through the BlueCard® Program, you will have to pay the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to Blue Shield of California for reimbursement. Blue Shield will review your claim and notify you of its coverage determination within 30 days after receipt of the claim; you will be reimbursed as described in the preceding paragraph. Remember, your share of cost is higher when you see a non-participating provider.

Federal or state law, as applicable, will govern payments for out-of-network Emergency Services. Blue Shield pays claims for covered Emergency Services based on the Allowable Amount as defined in this Evidence of Coverage.

### **Blue Shield Global® Core**

#### **Care for Covered Urgent and Emergency Services outside the BlueCard Service Area**

If you are outside of the BlueCard® Service Area, you may be able to take advantage of Blue Shield Global® Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global® Core is unlike the BlueCard® Program available within the BlueCard® Service Area in certain ways. For instance, although Blue Shield Global® Core assists you with accessing a network of inpatient, outpatient, and professional providers, the network is not served by a Host Blue. As such, when you receive care from provider outside the BlueCard® Service Area, you will typically have to pay the providers and submit the claim yourself to obtain reimbursement for these services.

If you need assistance locating a doctor or hospital outside the BlueCard® Service Area you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week. Provider

information is also available online at [www.bcbs.com](http://www.bcbs.com): select “Find a Doctor” and then “Blue Shield Global Core.”

Prior authorization is not required for Emergency Services. In an emergency, go directly to the nearest hospital. Please see the [Medical Management Programs](#) section for additional information on emergency admission notification.

### **Submitting a Blue Shield Global® Core claim**

When you pay directly for services outside the BlueCard® Service Area, you must submit a claim to obtain reimbursement. You should complete a Blue Shield Global® Core claim form and send the claim form along with the provider's itemized bill to the service center at the address provided on the form to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Shield Customer Service, the service center or online at [www.bcbsglobalcore.com](http://www.bcbsglobalcore.com). If you need assistance with your claim submission, you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week.

## **Special Cases: Value-Based Programs**

### **Blue Shield Value-Based Programs**

You may have access to Covered Services from providers that participate in a Blue Shield Value-Based Program. Blue Shield Value-Based Programs include, but are not limited to, Accountable Care Organizations, Episode Based Payments, Patient Centered Medical Homes, and Shared Savings arrangements.

If you receive covered services under a Blue Shield Value-Based Program, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement.

### **BlueCard® Program**

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Blue Shield through average pricing or fee schedule adjustments.

## **Limitation for duplicate coverage**

### **Medicare**

Blue Shield will provide Benefits before Medicare when:

- You are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws);

- You are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws); or
- You are eligible for Medicare solely due to end-stage renal disease during the first 30 months you are eligible to receive benefits for end-stage renal disease from Medicare.

Blue Shield will provide Benefits after Medicare when:

- You are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws);
- You are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws);
- You are eligible for Medicare solely due to end-stage renal disease after the first 30 months you are eligible to receive benefits for end-stage renal disease from Medicare; or
- You are retired and age 65 or older.

When Blue Shield provides Benefits after Medicare, your combined Benefits from Medicare and Blue Shield may be lower than the Medicare allowed amount but will not exceed the Medicare allowed amount. You do not have to pay any Blue Shield Deductibles, Copayments, or Coinsurance.

### **Medi-Cal**

Medi-Cal always pays for Benefits last when you have coverage from more than one payor.

### **Qualified veterans**

If you are a qualified veteran, Blue Shield will pay the reasonable value or the Allowable Amount for Covered Services you receive at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, Blue Shield will pay the reasonable value or the Allowable Amount for Benefits you receive at a Department of Defense facility. This includes Benefits for conditions related to military service.

### **Coverage by another government agency**

If you are entitled to receive Benefits from any federal or state governmental agency, by any municipality, county, or other political subdivision, your combined Benefits from that coverage and Blue Shield will equal but not be more than what Blue Shield would pay if you were not eligible for Benefits under that coverage. Blue Shield will provide Benefits based on the reasonable value or the Allowable Amount.

### **Exception for other coverage**

A Participating Provider may seek reimbursement from other third-party payors for the balance of their charges for services you receive under this plan.

If you recover from a third party the reasonable value of Covered Services received from a Participating Provider, the Participating Provider is not required to accept the

**Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-599-2650.**

fees paid by Blue Shield as payment in full. You may be liable to the Participating Provider for the difference, if any, between the fees paid by Blue Shield and the reasonable value recovered for those services.

### **Reductions – third-party liability**

If you are injured or become ill due to the act or omission of another person (a “third party”), Blue Shield shall, with respect to services required as a result of that injury, provide the Benefits of the plan and have an equitable right to restitution, reimbursement, or other available remedy to recover the amounts Blue Shield paid for services provided to you on a fee-for-service basis from any recovery (defined below) obtained by or on your behalf, from or on behalf of the third party responsible for the injury or illness, and you must agree to the provisions below. In addition, if you are injured and no other person is responsible but you receive (or are entitled to) a recovery from another source, and if Blue Shield paid Benefits for that injury, you must agree to the following provisions.

All recoveries you or your representatives obtain (whether by lawsuit, settlement, insurance, or otherwise), no matter how described or designated, must be used to reimburse Blue Shield in full for Benefits Blue Shield paid. Blue Shield's share of any recovery extends only to the amount of Benefits it has paid or will pay you or your representatives. For purposes of this provision, your representatives include, if applicable, your heirs, administrators, legal representatives, parents (if you are a minor), successors, or assignees. This is Blue Shield's right of recovery.

Blue Shield's right to restitution, reimbursement, or other available remedy is against any recovery you receive as a result of the injury or illness. This includes any amount awarded to you or received by way of court judgment, arbitration award, settlement, or any other arrangement, from any third party or third-party insurer, related to the illness or injury (the “Recovery”), whether or not you have been “made whole” by the Recovery. The amount Blue Shield seeks as restitution, reimbursement, or other available remedy will be calculated in accordance with California Civil Code Section 3040.

Blue Shield will not reduce its share of any Recovery unless, in the exercise of our discretion, Blue Shield agrees in writing to a reduction (1) because you do not receive the full amount of damages that you claimed or (2) because you had to pay attorneys' fees.

You must cooperate in doing what is reasonably necessary to assist Blue Shield with its right of recovery. You must not take any action that may prejudice Blue Shield's right of recovery.

You must tell Blue Shield promptly if you have made a claim against another party for a condition that Blue Shield has paid or may pay Benefits for. You must seek recovery of Blue Shield's payments and liabilities, and you must tell us about any recoveries you obtain, whether in or out of court. Blue Shield may seek a first priority lien on the proceeds of your claim in order to be reimbursed to the full amount of Benefits Blue Shield has paid or will pay.

Blue Shield may request that you sign a reimbursement agreement consistent with this provision. Your failure to comply with the above shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield.

Further, if you received services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from you the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such services

when payment or reimbursement is received by you for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), YOU ARE ALSO REQUIRED TO DO THE FOLLOWING:

Ensure that any recovery is kept separate from and not comingled with any other funds or your general assets;

- Agree in writing that the portion of any recovery required to satisfy the lien or other right of recovery of Blue Shield is held in trust for the sole benefit of Blue Shield until such time it is conveyed to Blue Shield; and
- Direct any legal counsel retained by you or any other person acting on your behalf to hold that portion of the recovery to which Blue Shield is entitled in trust for the sole benefit of Blue Shield and to comply with and facilitate the reimbursement to Blue Shield of the monies owed.

### **Coordination of benefits, continued**

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits ensures that benefits paid by multiple group health plans do not exceed 100% of allowable expenses. The coordination of benefits rules also determine which group health plan is primary and prevent delays in benefit payments. Blue Shield follows the rules for coordination of benefits as outlined in the California Code of Regulations, Title 28, Section 1300.67.13 to determine the order of benefit payments between two group health plans:

- When a plan does not have a coordination of benefits provision, that plan will always provide its benefits first. Otherwise, the plan covering you as an Employee will provide its benefits before the plan covering you as a Dependent.
- Coverage for Dependent children:
  - When the parents are not divorced or separated, the plan of the parent whose date of birth (month and day) occurs earlier in the year is primary.
  - When the parents are divorced and the specific terms of the court decree state that one of the parents is responsible for the health care expenses of the child, the plan of the responsible parent is primary.
  - When the parents are divorced or separated, there is no court decree, and the parent with custody has not remarried, the plan of the custodial parent is primary.
  - When the parents are divorced or separated, there is no court decree, and the parent with custody has remarried, the order of payment is as follows:
    - The plan of the custodial parent;
    - The plan of the stepparent; then
    - The plan of the non-custodial parent.

- If the above rules do not apply, the plan which has covered you for the longer period of time is the primary plan. There may be exceptions for laid-off or retired Employees.
- When Blue Shield is the primary plan, Benefits will be provided without considering the other group health plan. When Blue Shield is the secondary plan and there is a dispute as to which plan is primary, or the primary plan has not paid within a reasonable period of time, Blue Shield will provide Benefits as if it were the primary plan.
- Anytime Blue Shield makes payments over the amount they should have paid as the primary or secondary plan, Blue Shield reserves the right to recover the excess payments from the other plan or any person to whom such payments were made.

These coordination of benefits rules do not apply to the programs included in the [Limitation for Duplicate Coverage](#) section.

**Notes**

**1 Calendar Year Pharmacy Deductible (CYPD):**

Calendar Year Pharmacy Deductible explained. A Calendar Year Pharmacy Deductible is the amount you pay each Calendar Year before Blue Shield pays for outpatient prescription Drugs under this Benefit.

If this Benefit has a Calendar Year Pharmacy Deductible, outpatient prescription Drugs subject to the Deductible are identified with a check mark (✓) in the Benefits chart above.

Any applicable Copayment, Coinsurance and CYPD you pay counts towards the Calendar Year Out-of-Pocket Maximum.

Outpatient prescription Drugs not subject to the Calendar Year Pharmacy Deductible. Some outpatient prescription Drugs received from Participating Pharmacies are paid by Blue Shield before you meet any Calendar Year Pharmacy Deductible. These outpatient prescription Drugs do not have a check mark (✓) next to them in the "CYPD applies" column in the Prescription Drug Benefits chart above.

**2 Using Participating Pharmacies:**

Participating Pharmacies have a contract to provide outpatient prescription Drugs to Members. When you obtain covered prescription Drugs from a Participating Pharmacy, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Pharmacy Deductible has been met.

Participating Pharmacies and Drug Formulary. You can find a Participating Pharmacy and the Drug Formulary by visiting [www.blueshieldca.com/pharmacy](http://www.blueshieldca.com/pharmacy).

**3 Using Non-Participating Pharmacies:**

Non-Participating Pharmacies do not have a contract to provide outpatient prescription Drugs to Members. When you obtain prescription Drugs from a Non-Participating Pharmacy, you must pay all charges for the prescription, then submit a completed claim form for reimbursement. You will be reimbursed based on the price you paid for the Drug.

**4 Outpatient Prescription Drug Coverage:**

**Medicare Part D-creditable coverage-**

This prescription Drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this prescription Drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

**5 Outpatient Prescription Drug Coverage:**

Brand Drug coverage when a Generic Drug is available. If you select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the Tier 1 Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year Pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum. If your Physician or Health Care Provider prescribes a Brand Drug and indicates that a Generic Drug equivalent should not be substituted, you pay your applicable tier Copayment or Coinsurance. If your Physician or Health Care Provider does not indicate that a Generic Drug equivalent should not be substituted, you may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

## Prescription Drug Benefits

---

Benefits are available for outpatient prescription Drugs as described in this supplement. This Prescription Drug Benefit is separate from the medical Plan coverage. The Medical Plan Deductible and the Coordination of Benefits provisions do not apply to this Outpatient Prescription Drug Rider. However, the Calendar Year Out-of-Pocket Maximum, general provisions and exclusions of the Group Health Service Contract apply.

Outpatient prescription Drugs are self-administered Drugs approved by the U.S. Food and Drug Administration (FDA) for sale to the public through retail or mail-order pharmacies that are prescribed and are not provided for use on an inpatient basis. Drugs also include diabetic testing supplies.

A Physician or Health Care Provider must prescribe all Drugs covered under this Benefit, including over-the-counter items. You must obtain all Drugs from a Participating Pharmacy, except as noted below. Drugs, items, and services that are not covered under this Benefit are listed in the [Exclusions and limitations](#) section.

Some Drugs, most Specialty Drugs, and prescriptions for Drugs exceeding specific quantity limits require prior authorization to be covered. The prior authorization process is described in the [Prior authorization/exception request process/step therapy](#) section. You or your Physician may request prior authorization from Blue Shield.

### **Outpatient Drug Formulary**

Blue Shield's Drug Formulary is a list of FDA-approved preferred Generic and Brand Drugs. This list helps Physicians or Health Care Providers prescribe Medically Necessary and cost-effective Drugs.

Blue Shield's Formulary is established and maintained by Blue Shield's Pharmacy and Therapeutics (P&T) Committee. This committee consists of Physicians and pharmacists responsible for evaluating Drugs for relative safety, effectiveness, evidence-based health benefit, and comparative cost. The committee also reviews new Drugs, dosage forms, usage, and clinical data to update the Formulary four times a year.

Your Physician or Health Care Provider might prescribe a Drug even though it is not included in the Blue Shield Formulary.

The Formulary is divided into Drug tiers. The tiers are described in the chart below. Your Copayment or Coinsurance will vary based on the Drug tier. Drugs are placed into tiers based on recommendations made by the P&T Committee.

Formulary Drug tiers	
<b>Drug Tier</b>	<b>Description</b>
Tier 1	<ul style="list-style-type: none"> <li>• Most Generic Drugs or low cost preferred Brand Drugs</li> </ul>
Tier 2	<ul style="list-style-type: none"> <li>• Non-preferred Generic Drugs</li> <li>• Preferred Brand Drugs</li> <li>• Any other Drugs recommended by the P&amp;T Committee based on drug safety, efficacy, and cost</li> </ul>
Tier 3	<ul style="list-style-type: none"> <li>• Non-preferred Brand Drugs</li> <li>• Drugs recommended by the P&amp;T Committee based on drug safety, efficacy, and cost</li> <li>• Drugs that generally have a preferred and often less costly therapeutic alternative at a lower tier</li> </ul>
Tier 4	<ul style="list-style-type: none"> <li>• Drugs that are biologics, and Drugs the FDA or drug manufacturer requires to be distributed through Network Specialty Pharmacies</li> <li>• Drugs that require you to have special training or clinical monitoring</li> <li>• Drugs that cost the plan more than \$600 (net of rebates) for a one-month supply</li> </ul>

Visit [blueshieldca.com/pharmacy](https://blueshieldca.com/pharmacy), use the Blue Shield mobile app, or contact Customer Service for more information on the **Drug Formulary** or to request a printed copy of the Formulary.

### **Obtaining outpatient prescription Drugs at a Participating Pharmacy**

You must present a Blue Shield ID Card at a Participating Pharmacy to obtain prescription Drugs. You can obtain prescription Drugs at any retail Participating Pharmacy unless the Drug is a Specialty Drug. See the [Obtaining Specialty Drugs from a Network Specialty Pharmacy](#) section for more information.

Visit [blueshieldca.com/pharmacy](https://blueshieldca.com/pharmacy) or use the Blue Shield mobile app to locate a retail Participating Pharmacy.

You must pay the applicable Copayment or Coinsurance for each prescription Drug purchased from a Participating Pharmacy. When the Participating Pharmacy's contracted rate is less than your Copayment or Coinsurance, you only pay the contracted rate. This amount will apply to any applicable Deductible and Out-of-Pocket Maximum.

There is no Copayment or Coinsurance for generic, FDA-approved contraceptive Drugs and devices obtained from a Participating Pharmacy. Brand contraceptives are covered without a Copayment or Coinsurance only when Medically Necessary.

If you select a Brand Drug when a Generic Drug equivalent is available, you pay the difference in cost, plus your Tier 1 Copayment or Coinsurance. This is calculated by taking the difference between the Participating Pharmacy's contracted rate for the Brand Drug and the Generic Drug equivalent, plus the Tier 1 Copayment or Coinsurance. For example, you select Brand Drug A when there is an equivalent Generic Drug A available. The Participating Pharmacy's contracted rate for Brand Drug A is \$300 and the contracted rate for Generic Drug A is \$100. You would be responsible for paying the \$200 difference in cost, plus the Tier 1 Copayment or Coinsurance. This difference in cost does not apply to your Calendar Year Pharmacy Deductible or your Out-of-Pocket Maximum responsibility.

See the [Prior authorization/exception request/step therapy process](#) section for more information on the approval process and exception requests. If the request is approved, you pay only the applicable tier Copayment or Coinsurance.

See the [Prior authorization/exception request/step therapy process](#) section for more information on the prior authorization process and exception requests. If the request is approved, you pay only the applicable Formulary or Non-Formulary Brand Drug Copayment or Coinsurance.

Blue Shield created a Patient Review and Coordination (PRC) program to help reduce harmful prescription drug misuse and the potential for abuse. Examples of harmful misuse include obtaining an excessive number of prescription medications or obtaining very high doses of prescription opioids from multiple providers or pharmacies within a 90-day period. If Blue Shield determines a Member is using prescription drugs in a potentially harmful, abusive manner, Blue Shield may, subject to certain exemptions and upon 90 days' advance notice, restrict a Member to obtaining all non-emergent outpatient prescriptions drugs at a single pharmacy home. This restriction applies for a 12-month period and may be renewed. The pharmacy home, a single Participating Pharmacy, will be assigned by Blue Shield or a Member may request to select a pharmacy home. Blue Shield may also require prior authorization for all opioid medications if sufficient medical justification for their use has not been provided. Members that disagree with their enrollment in the PRC program can file an appeal or submit a grievance to Blue Shield as described in the *Grievance process* section of your Evidence of Coverage. Members selected for participation in the PRC will receive a brochure with full program details, including participation exemptions. Any interested Member can request a PRC program brochure by calling Customer Service at the number listed on their Identification Card.

### **Obtaining outpatient prescription Drugs at a Non-Participating Pharmacy**

When you receive Drugs from a Non-Participating Pharmacy, you must pay for the prescription in full and then submit a claim for reimbursement to:

Blue Shield of California  
P.O. Box 52136  
Phoenix, AZ 85072-2136

Blue Shield will reimburse you as shown on the Summary of Benefits, based on the price you paid for the Drugs.

Claim forms may be obtained by calling Customer Service or visiting [blueshieldca.com](https://blueshieldca.com). Claims must be received within one year from the date of service to be considered for payment. Claim submission is not a guarantee of payment.

### **Obtaining outpatient prescription Drugs from the mail service pharmacy**

You have an option to receive prescription Drugs from the mail service pharmacy when you take maintenance Drugs for an ongoing condition. This allows you to receive up to a 90-day supply of the Drug, which may save you money. You may enroll in this program online, by phone, or by mail. Once enrolled, please allow up to 14 days to receive the Drug. If your Physician or Health Care Provider submits a prescription for less than a 90-day supply, the mail service pharmacy will only dispense the amount prescribed. Specialty Drugs are not available from the mail service pharmacy.

You must pay the applicable mail service prescription Drug Copayment or Coinsurance for each prescription Drug.

Visit [blueshieldca.com](https://blueshieldca.com) or use the Blue Shield mobile app for additional information about how to get prescription Drugs from the mail service pharmacy.

### **Obtaining Specialty Drugs from a Network Specialty Pharmacy**

Specialty Drugs are Drugs that require coordination of care, close monitoring, or extensive patient training for self-administration that cannot be met by a retail pharmacy, and that are available at a Network Specialty Pharmacy. Specialty Drugs may also require special handling or manufacturing processes (such as biotechnology), restriction to certain Physicians or pharmacies, or reporting of certain clinical events to the FDA. Specialty Drugs generally have a higher cost.

Specialty Drugs are only available from a Network Specialty Pharmacy. A Network Specialty Pharmacy provides Specialty Drugs by mail or, at your request, will transfer the Specialty Drug to an associated retail store for pickup.

A Network Specialty Pharmacy offers 24-hour clinical services, coordination of care with Physicians, and reporting of certain clinical events associated with select Drugs to the FDA.

To be covered, most Specialty Drugs require prior authorization by Blue Shield, as described in the [Prior authorization/exception request/step therapy process](#) section.

Visit [blueshieldca.com](https://blueshieldca.com) for a complete list of Specialty Drugs or to select a Network Specialty Pharmacy.

### **Prior authorization/exception request/step therapy process**

Some Drugs and Drug quantities require approval based on Medical Necessity before they are eligible for coverage under this Benefit. This process is prior authorization.

The following Drugs require prior authorization:

- Some Formulary Drugs, compounded medications, and most Specialty Drugs;
- Drugs exceeding the maximum allowable quantity based on Medical Necessity and appropriateness of therapy; and
- Some brand contraceptives, in order to be covered without a Copayment or Coinsurance.

You pay the Tier 3 Copayment or Coinsurance for covered compounded medications.

You, your Physician, or your Health Care Provider may request prior authorization for the Drugs listed above by submitting supporting information to Blue Shield. Once Blue Shield receives all required supporting information, Blue Shield will provide prior authorization approval or denial within 72 hours in routine circumstances or 24 hours in exigent circumstances. Exigent circumstances exist when you have a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or you are undergoing a current course of treatment using a non-Formulary Drug.

To request coverage for a non-Formulary Drug, you, your representative, your Physician, or your Health Care Provider may submit an exception request to Blue Shield. Once all required supporting information is received, Blue Shield will approve or deny the exception request, based on Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances.

Step therapy is the process of beginning therapy for a medical condition with Drugs considered first-line treatment or that are more cost-effective, then progressing to Drugs that are the next line in treatment or that may be less cost-effective. Step therapy requirements are based on how the FDA recommends that a Drug should be used, nationally recognized treatment guidelines, medical studies, information from the Drug manufacturer, and the relative cost of treatment for a condition. If step therapy coverage requirements are not met for a prescription and your Physician or your Health Care Provider believes the Drug is Medically Necessary, the prior authorization process may be used and timeframes previously described will also apply.

If Blue Shield denies a request for prior authorization or an exception request, you, your representative, your Physician, or your Health Care Provider can file a grievance with Blue Shield. See the *Grievance process* section of your Evidence of Coverage for information on filing a grievance, your right to seek assistance from the Department of Managed Health Care, and your rights to independent medical review.

### **Limitation on quantity of Drugs that may be obtained per prescription or refill**

Except as otherwise stated in this section, you may receive up to a 30-day supply of outpatient prescription Drugs. If a Drug is available only in supplies greater than 30 days, you must pay the applicable retail Copayment or Coinsurance for each additional 30-day supply.

If you, your Physician, or your Health Care Provider request a partial fill of a Schedule II Controlled Substance prescription, your Copayment or Coinsurance will be pro-rated. The remaining balance of any partially filled prescription cannot be dispensed more than 30 days from the date the prescription was written.

Blue Shield has a short cycle Specialty Drug program. With your agreement, designated Specialty Drugs may be dispensed for a 15-day trial supply at a pro-rated Copayment or Coinsurance for the initial prescription. This program allows you to receive a 15-day supply of the Specialty Drug to help determine whether you will tolerate it before you obtain the full 30-day supply. This program can help you save money if you cannot tolerate the Specialty Drug. The Network Specialty Pharmacy will contact you to discuss the advantages of the program, which you can elect at that time. You, your Physician, or your Health Care Provider may choose a full 30-day supply for the first fill.

If you agree to a 15-day trial, the Network Specialty Pharmacy will contact you prior to dispensing the remaining 15-day supply to confirm that you are tolerating the Specialty Drug.

Visit [blueshieldca.com/pharmacy](https://blueshieldca.com/pharmacy) for a list of *Specialty Drugs* in the *short cycle Specialty Drug program*.

You may receive up to a 90-day supply of Drugs from the mail service pharmacy. If your Physician or Health Care Provider writes a prescription for less than a 90-day supply, the mail service pharmacy will dispense that amount and you are responsible for the applicable mail service Copayment or Coinsurance listed in the [Summary of Benefits](#) section. Refill authorizations cannot be combined to reach a 90-day supply.

Select over-the-counter drugs with a United States Preventive Services Task Force (USPSTF) rating of A or B may be covered at a quantity greater than a 30-day supply.

You may receive up to a 12-month supply of contraceptive Drugs.

You may refill covered prescriptions at a Medically Necessary frequency.
